*Teacher Education and Professional Development In Industry 4.0* Ashadi, Joko Priyana, Basikin, Anita Triastuti, Nur Hidayanto Pancoro Setyo Putro, 2020-10-20 The main theme of the proceedings of the 4th International Conference on Teacher Education and Professional Development InCoTEPD 2019 is Teacher Education and Professional Development in Industry 4.0. The papers have been carefully grouped under the subthemes of teacher education and professional development curriculum learning materials teaching learning process technology and media and assessment in Industry 4.0 education. They also cover vocational education in the era in question and one section is devoted to Industrially disadvantaged societies. As these papers were presented at an internationally refereed conference dedicated to the advancement of theories and practices in education they provide an opportunity for academics and professionals from various educational fields with cross disciplinary interests to bridge the knowledge gap and promote research esteem and the evolution of pedagogy

**Handbook of Professional Development in Education** Linda E. Martin, Sherry Kragler, Diana J. Quattroche, Kathryn L. Bauserman, 2015-10-13 This comprehensive handbook synthesizes the best current knowledge on teacher professional development PD and addresses practical issues in implementation. Leading authorities describe innovative practices that are being used in schools emphasizing the value of PD that is instructive, reflective, active, collaborative and substantive. Strategies for creating, measuring and sustaining successful programs are presented. The book explores the relationship of PD to adult learning theory, school leadership, district and state policy, the growth of professional learning communities and the Common Core State Standards. Each chapter concludes with thought provoking discussion questions. The appendix provides eight illuminating case studies of PD initiatives in diverse schools
