Rooted in Jon Gordon's faith tradition this fable is a different kind of book than his previous business fables. However, in his familiar trademark style, he takes a complex subject and simplifies it to help people take action and improve their lives. Everyone will struggle with fear, anxiety, or stress at some point in their lives, and everyone will have to overcome these challenges to create the life they were meant to live. Given that there are many contributing factors that influence how we think and feel, Jon wrote this book to share how the power of love, encouragement, truth, faith, and belief can be part of the solution. Having worked with countless leaders, companies, sports teams, professional athletes, and high school students, Jon Gordon infuses this life-changing story with thought-provoking ideas, practical strategies, and a framework to overcome fear with faith. Whether you are dealing with fear, stress, and anxiety yourself, have a family member that struggles, or are a mental health expert that works with clients, if any of the ideas in this book can be useful to you or the people you love and care about, then it's worth a walk through *The Garden* with Jay Kay and Mr. Erwin to discover ways to persevere through life with the power of faith, hope, and love. **Mediaweek**, 2006-10 **Popular Mechanics**, 1944-09 *Popular Mechanics* inspires, instructs, and influences readers to help them master the modern world.
