Global and Local Trends in Media Innovation and Entrepreneurship Pallavi Mishra, Manju Kaushik, 2026-01-22

Global and Local Trends in Media Innovation and Entrepreneurship explores the cutting edge technologies and entrepreneurial shifts transforming how media is created, distributed, and consumed worldwide. The book offers readers a clear understanding of how emerging technologies such as VR, AR, AI, the metaverse, and OTT platforms are disrupting traditional media practices. Through real world examples, case studies, and expert analysis, it bridges theory and practice to showcase how media innovation is driving new business models, reshaping audience engagement, and redefining global local media dynamics. A vital resource for media professionals, entrepreneurs, academics, and students, this book is designed for those seeking to navigate and leverage the evolving media landscape whether for strategic insight, research, or innovation driven practice.

CLANDESTINE PHOTOGRAPHY Raymond P. Siljander, Lance W. Juusola, 2012-04-01

This book explains how to take surreptitious photographs and record video of people and property in a safe and effective manner while producing excellent results. It is the most comprehensive text on clandestine photography available. It takes the reader through conventional as well as the most sophisticated clandestine photography methods in practice today and it covers the use of all types of equipment ranging from off the shelf to the most high tech equipment available. The ultra long range night vision photography methods discussed in this book were devised by the authors and only exist here. Readers will discover esoteric techniques for photographically recording recognizable human and vehicle plate images from distances of over a mile in both daylight and night conditions. Myriad methods for secretly photographing people and property under diverse and difficult conditions are presented. Readers will discover innovative applications of combinations of old and new photographic related technologies some combined in unexpected ways that produce surprising results. It is written and extremely well illustrated in an easy to understand style for all photographers regardless of skill level. The book is appropriate for anyone in law enforcement, military operations, and private investigation. It will also benefit government surveillance specialists and those responsible for detecting and thwarting manual clandestine photography.

Liangyou, Kaleidoscopic Modernity and the Shanghai Global Metropolis, 1926-1945 Paul Pickowicz, Kuiyi SHEN, Yingjin ZHANG, 2013-11-11

This collection of original essays explores the rise of popular print media in China as it relates to the quest for modernity in the global metropolis of Shanghai from 1926 to 1945. It does this by offering the first extended look at the phenomenal influence of the Liangyou pictorial, The Young Companion, arguably the most exciting monthly periodical ever published in China. Special emphasis is placed on the profound social and cultural impact of this glittering publication at a pivotal time in China. The essays explore the dynamic concept of kaleidoscopic modernity and offer
