author of *Language is Music* provides easy steps for learning a language. Gone are the boring disconnected strategies that most of us remember from school. You've never learned a language this quickly and easily. Zaraysky's methods embody fun connection, rhythm and above all music. Suzanne Lettrick M Ed Educator and Founder of The Global Education and Action Network. Forget dictionaries and phrase books. Susanna Zaraysky's easy to use guide to language learning is indispensable for any serious language learner wanting to become fluent not just conversationally proficient in another language. *Language is Music* will teach you how to make language acquisition a part of your daily life and to recreate the kind of total immersion environment necessary for fluency. Highly recommended reading for aspiring polyglots. Pick up this book and you too will be all ears. Justin Liang Japanese Mandarin Cantonese Marshallese intermediate Spanish. Back in France I spent many years learning academic English in school. But I progressed much faster when I forced myself to listen to the BBC or not look at the subtitles when watching an American movie. I wish I had Susanna's book with me then. It's full of creative ideas and practical tips that are indispensable complements to the traditional methods of learning foreign languages and it's coming from someone you can trust. She speaks so many of them. Philippe Levy French native speaker. This book is great. It showed me another aspect and a new approach of learning a language. I will put the book to good use. As a foreign English speaker I spent many years at school learning English and did not make much progress. A lot of the tips that I read in this book I learned them with time. However if I had read this book earlier it would have made my life much easier and I would have saved so much time. I am going to apply the tips in *Language is Music* into learning a third language Spanish. This time I am sure I will make huge progress much faster. Not only is *Language is Music* useful in acquiring a foreign language but the resources and websites in the book are valuable for someone who wants to travel abroad. Fabien Hsu French native speaker.
