It meets the increasing demand for pedagogically informed online language instruction which is particularly important in the context of the effects that the Covid 19 pandemic has had on the education sector on a global scale as well as exploring language learning in informal and non formal contexts. With contributions from 5 continents and over 20 countries including Australia, Canada, Cyprus, Denmark, Finland, France, Greece, Ireland, Japan, Spain, Sweden, the Netherlands, the UK and the USA, the book offers a thorough overview of the main influential theories and explores technology tools, approaches to research and applications to practice. Carefully curated, this is an innovative and exciting volume for students, teachers, researchers and lecturers in language education.

**The Quick And Dirty Guide To Learning Languages Fast** Mykel Hawke, 2000-09-01 There are many reasons why you might need to learn a foreign language quickly. The author, a U.S. Army Green Beret, often travels to foreign countries on short notice and needs to be able to communicate with military and government officials, many of whom do not speak English. He tried all types of schools, classes, books and tapes, but none delivered what he needed when he needed it. So he developed his own method for learning foreign languages. It proved so effective for him and his fellow Green Berets that he decided to share his method with others who need to learn a language quickly. *The Quick and Dirty Guide to Learning Languages Fast* is designed for people who have no interest in learning complicated rules of grammar. The author promises that his method will help anyone become functional in any language in seven days and proficient in 30. He's trimmed the fat, freeing your time for what's truly useful. Includes a day by day schedule, a handy workbook format and secret tips to help you master key elements quickly and easily.

**Fluent in 3 Months** Benny Lewis, 2014 Meet the man who makes the mission of learning any language possible. Language hacker Benny Lewis shows how anyone anywhere can learn any language without leaving their home using a simple toolkit and by harnessing the power of the Internet. Benny definitely wasn't born with the language gene. After graduating in electronic engineering in his native Ireland, he spent six months in Spain struggling to learn Spanish. This frustrating experience fuelled his determination to take a different approach to learning foreign languages. Today he speaks over ten languages, including Mandarin Chinese, Arabic, French, German, Portuguese and Hungarian. At present he's learning Japanese in Spain. This typifies one of his 3 month challenges, where he targets a new language and proceeds to become fluent in it within just three months. He charts his progress on his blog, proving that his techniques allow anyone to learn a language from anywhere. Benny's blog, also called *Fluent in 3 Months*, is the largest language learning blog in the world.
