

An aerial photograph capturing a serene sunset over a large body of water. The sun is a bright, glowing orb in the upper center, casting a brilliant, shimmering path of light across the water's surface. The sky is filled with soft, wispy clouds in shades of orange, yellow, and blue. In the foreground and middle ground, a large number of black swans are scattered across the water, their dark silhouettes contrasting with the shimmering light. The overall mood is peaceful and majestic.

**My Australia** Maria Luisa Zaccheo Wahlberg, 2014-05-18 This book of drawings and watercolours is devoted to my impressions of the majestic beauties or icons of the continent but also aims to present my observations about the small Australia of ordinary buildings and landscape the general stores the post offices the railway stations the old hotels the tea rooms the corrugated iron sheds the empty shops the disused mines and the classical colonial town halls reminiscent of the old and far away Europe I wanted to show places like Dimbullah and Norseman that are unknown to outsiders but are just as interesting in their own ways as Sydney Harbour and Uluru
