My Bible Blue:

The Blue Parakeet, 2nd Edition Scot McKnight, 2018-06-05 How are we to live out the Bible today In this updated edition of The Blue Parakeet you ll see how Scripture transcends culture and time and you ll learn how to read God s Word in a fresh way The gospel is designed to be relevant in every culture in every age in every language It s fully capable of this and we are called to discern how God is speaking to us today But applying its words and directions on how to live our lives is not always easy Professor and author of The King Jesus Bible Scot McKnight challenges us to rethink how to read the Bible not just to puzzle it together into some systematic belief or historical tradition but to see it as an ongoing Story that we re summoned to enter and to carry forward in our day Throughout the Bible God speaks in each generation in that generation s ways and beckons us to be a part of his amazing story The Blue Parakeet is a profound meditation on how God is speaking to our generation through His Word
