Over My Dead Body Maz Evans, 2023-08-03 Laugh out loud hilarious moving and life affirming How can one book be so many things I couldn't put this fabulous first class five star read down JANICE HALLETT Thoroughly wicked compulsively page turning and funny as hell S J BENNETT Hello Can you hear me Probably not I'm Dr Miriam Price and I'm dead The local police who couldn't investigate their own nostrils think I drank myself into an early grave The nerve I was murdered I was just too plastered to know whodunnit that's all Unless I prove to my inquest this week that my death was no misadventure I'm condemned to 50 years in Limbo I have to find my killer but I can't communicate with any living human Well there's one but she barely qualifies Winnie my neighbour and nemesis It seems the dying can interact with the dead which is helpful news for me if not stellar for Winnie Oh well She'll live Maybe Suspects How long have you got My saintly husband who'd reached his limit My best friend who was anything but My secret lover or his wife My disgruntled colleague The mother who wrongly holds me responsible for her child's death Professor Plum Your guess is as good as mine So Winnie slap on your deerstalker and strap on your granny pants Let's catch a killer Assuming we don't kill each other first A triumph there are also moving moments amid the hilarity DAILY MIRROR Splendidly offbeat whodunnit Evans knows how to make an unlikely plot seem entirely believable DAILY EXPRESS Sometimes a book comes along that reminds you why you fell in love with reading Imaginative witty and original an absolute joy WOMAN HOME

My Dead Body George Bagby, 1976 **Dreams and Resurrection** Jack Call, 2014-11-28 If you are ever haunted by the thought of being sucked away into nothingness you should read this book It would be understandable for you to think that everything that can be said about the probability of an afterlife has already been said but that doesn't matter What matters is whether you remember the reasons why personal subjective immortality makes sense and eternal death doesn't Here you will find an extended inductive argument to that conclusion based on the time honored analogies between life and dream death and sleep The author takes an argument of David Hume's and turns it on its head That argument forms the core of a view the author describes as Taoistic psychedelic Christianity Taoistic in that God's power is conceived as purely artistic and inspirational and psychedelic in that the author acknowledges that taking LSD had a profound and benign influence on his life On this view the first person perspective is given in experience What kind of person you are is an ever unfolding story that you strive to perfect
