The Hazards Series Books 1-3 Alyssa Rose Ivy, 2015-08-19

Includes three full length New Adult Romance Books The Hazards of Skinny Dipping This isn't a deep book about first loves or self discovery If you want a book like that I'd be happy to recommend one but I don't have that kind of story to tell Instead my story is about rash decisions and finding out that your dream guy is bad in bed It's the story of when I finally went skinny dipping and how my life was never the same again Oh and it's also the story of my freshman year of college and realizing Mr Right might have been there all along The Hazards of a One Night Stand One small town boy one girl who wants more one roll in the hay Hooking up with your high school crush is a bad idea a really bad idea It was only supposed to be one night one brief departure from my real life but nothing ever works out exactly the way you plan Colton Waters was everything from my past that didn't fit into my present so why did he have to show up at my college and pledge the one frat I couldn't avoid Because nothing is ever meant to happen just once At least not the life changing things that mean the difference between falling apart and falling in love The Hazards of Sex on the Beach One broken heart one drink too many one steamy night in the sand No one warns you about the dangers of drinking with a broken heart At least no one warned me I never imagined I'd fall for a musician especially not one like Chase but then again I never expected to have my heart broken into a million pieces by the frat guy I thought was the love of my life Sometimes it's the rash decisions like hooking up in the sand that lead you to the best places the kinds of places where it's possible to let yourself fall in love again
