## **My False Heart:**

*My False Heart* Liz Carlyle, 1999-11-01 Prepare yourself for heart stopping romance in this luminescent love story about a chance meeting between two strangers one dark rain swept night in the English countryside From that moment on their destinies are forever changed When Elliot Armstrong the marquis of Rannoch pursues a spiteful mistress into the wilds of Essex to sever their relationship he is surprised to find himself hopelessly lost in more ways than one Inexplicably drawn to a warmly fit house along an isolated country lane he is mistaken for an overdue guest but he dares not reveal his identity for fear of being tossed back out into the torrential rain a fate he admittedly deserves The loving family that innocently welcomes Rannoch into their midst soon challenges his cynical convictions and ultimately resurrects his shattered dreams The beautiful Evangeline van Artevalde is an artist of exceptional talent and extraordinary secrets Isolated from society by choice the half Flemish refugee has fled her homeland in search of a secure haven for the children in her family But even the Essex countryside she finds is not without danger As the clutches of her aristocratic English relatives tighten Evangeline holds them at bay by sheer force of will unleashing her emotions only within the walls of her studio The furthest thing from her heart is desire until a drenched strikingly handsome man shows up at her doorstep late one night Soon Evangeline finds she can no longer confine her passions to oil paint and canvas Drawn by desire Elliot and Evangeline discover a powerful love neither thought possible But malevolent forces surround them and soon their secrets will be exposed and their hearts tested to unthinkable limits Only if they can forgive the past will they have a future
