My Father:

My Father's Car S. M. O. Aka, 1980 Papa, My Father Leo F. Buscaglia, 1990 *My Father Before Me* Michael J. Diamond, 2007 This book establishes fatherhood as an essential event for both the father and son's development and examines the relationship throughout the life cycle **Father-Daughter Relationships** Linda Nielsen, 2012 How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships such as divorce, including various theoretical perspectives, are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here **In My Father's Study** Benjamin S. Orlove, 1995 The Novels of Sterne, Goldsmith, Dr. Johnson, Mackenzie, Horace Walpole, and Clara Reeve Laurence Sterne, 1823 **Driving My Father** Susan Wicks, 1995 By turning personal loss into a story of universal themes, Susan Wicks poignantly speaks of the changes and concerns that children face as their parents grow older. With a poetic touch and unflinching honesty, her approach here is as unconventional as it is heartfelt. When people asked me which of my parents I preferred, I always said my father. Yet after an anguished call about her mother's death, the author knew that her childhood days with her father behind the wheel of the car were gone. With her father widowed and inconsolable, their relationship becomes increasingly unsettled. *Driving My Father* is a closer look at those changes, a chronicle made up of glimpses, brief episodes, and a candid meditation on how father and daughter adapted to their new lifestyles. **BOOK JACKET** Title Summary field provided by Blackwell North America, Inc. All Rights Reserved The Organization of the Pyramid Texts Harold M. Hays, 2012-06-01 The oldest substantial body of religious texts from ancient Egypt consists of the Pyramid Texts. These are hieroglyphic religious texts inscribed upon the interior walls of the pyramid tombs of kings and queens, beginning around 2345 BCE. This book explores the Pyramid Texts **My Father, My Father** Dag Heward-Mills, 2008-06-04 The gift of a father is a rare gift. Not every man of God is a father. In this book, Dag Heward-Mills teaches that there will be many people who will make an impact in your life, and that instructors and teachers have an impact on your life, but that it is different from fathers. It is a total package that cares about you more than just giving you a good teaching. According to Dag Heward-Mills, God is going to send a number of people to father you, not just your biological father. Sadly, the reason for this is that our biological fathers don't always talk to their children about everything. Biological fathers sometimes hope that someone else will answer the difficult questions and guide their children to safety. One of the keys to recognizing a father is to recognize the love, care, and direction of our heavenly Father being transmitted through him to your life. In the book, nine types of fathers in a person's life are named and explained so that you can recognize them. The author explains that there are also certain responsibilities for a son or daughter, not just to be around but to do and mean something. This book will help you

recognize when you should be a father to someone or to recognize a father that has been sent to you by God *Works ...*
