Vow of Darkness Rodrigo Parra Sandoval, 2014-10-27 Originally published in Spanish as Voto de tinieblas this is a translation by Kieran Tapsell Among the stories and characters of Vow of Darkness it unfolds a reflection around the prohibitions and dangers that a nun living the confused and violent period of independence from Spain must face when she decides to be a writer in a world where writing is an exclusively male activity Alongside these adventures is woven a reflection about personal and collective memory It outlines how the indigenous population extinguishes destroyed by war smallpox and shame And yet there are characters trying to give sense to their own lives through generosity compassion understanding the other identifying with their memory diluting cultural distances changing the roles and transforming the victorious on defeated or trying to solve the antagonisms that the nun draws in the written geographies of her body throughout philanthropy *War Children* Michael Tradowsky, 2012-12 In Berlin in 1939 Michael Tradowsky celebrated his fourth birthday with his parents by helping his father tack up blackout paper over their windows Germany was at war For the next six years the Tradowsky family endured the nightmare of the German home front Intense and powerful War Children shares the incredible saga of an ordinary German family during World War II Looking back from the vantage of seventy years Michael's memoir directly confronts how his childhood experiences despite his parents attempt to give him a normal upbringing were shaped by an epoch of rampant evil under Hitler Michael shares how each member of his family had his or

her own way of fighting against the regime His courageous and outspoken aristocratic mother was determined to protect her son from Nazi brainwashing and sacrificed everything but her love and honor to keep her children alive His father a promising theater director rubbed shoulders with the great entertainers of the time until his refusal to join the Nazi Party destroyed his aspirations But perhaps Michael s love for his baby sister exemplifies the tragedy of a childhood spent in war for her very life depended on him carrying her to the bomb shelter From winding roads twisting through the tall pines of the Black Forest to trucks crammed with refugees War Children offers a sobering testimony for children victimized by war past and present Vision ,1918 The Human Boy Again Eden Phillpotts,2014-11-04 Example in this ebook No I PETERS DETECTIVE Being from the first the chum and friend of Peters I can tell about his curious ways better than anybody In fact we shared our pocket money which is always a great sign of friendship and it was understood that if ever I got into trouble when I grew up and was accused of murder or forgery or anything like that which does often happen to the most innocent people Peters would give up anything he might be doing at the time and devote his entire life to proving me not guilty I remember well the day he came I was in the big school room at the fire roasting chestnuts and talking to Gideon and Shortland and Fowle were also there The Doctor came in with a new boy and said Ah There are some of the fellows by the fire Peters Then he called out to Shortland and me and said Shortland and Maydew this is Peters Make him welcome and if there are chestnuts going as I suspect share them with him Then the Doctor went off to have some final jaw with the mother of Peters and Peters came down the room and said Good evening in a very civil and quiet tone of voice He was thin and dark and when he warmed his hands at the fire it was easy to see the light through them He also had a pin in his tie in the shape of a human skull about as big as a filbert nut with imitation ruby eyes We asked him who he was and he said he came from Surrey and that his father had been a soldier but was unfortunately dead His name was Vincent Peters Then Shortland who is a silly beast and a bully and only in the lower fifth though quite old and in fact his voice has broken down asked Peters the footling question he always asks every new boy He said Would you rather be a greater fool than you look or look a greater fool than you are Of course whatever you answer you must be scored off But young Peters seemed to know it Anyway instead of answering the question he asked another He said Would you rather be uglier than you look or look uglier than you are Gideon was interested at this because it showed at once Peters must be a cool hand What are you going to be Gideon asked and then came out the startling fact that Peters hoped to be a detective of crime If you go detecting anything here you ll get your head punched said Shortland I may or I may not answered Peters But it s rather useful sometimes to have a chap in a school who has made a study of detecting things You can begin to night if you like I said because Johnson major s bat was found to have seven tin tacks hammered into it last week when he took it out of the case to give it a drop more oil and if you find out who did that I ve no doubt that Johnson major will be a good friend to you him being in the sixth and captain of the first at cricket I don t know enough about things yet answered Peters Besides you have to be sure of your ground In detecting

you may make friends or you may not but you will make enemies to a dead certainty In fact that s the drawback to detecting
 Look at Sherlock Holmes That s only a yarn said Gideon But Peters wouldn t allow this He evidently felt very deeply about
 Sherlock Holmes He is founded on fact in fact founded on thousands of solemn facts said Peters The things he does are all
 founded on real crimes and if anybody is going to be a detective he can t do better than try to be like Sherlock Holmes in
