Commonsential Mom Kristine Lindskoog, 2022-08-01 I don't know about you but I didn't have an instruction manual when I had my kids I think knowing how to raise kids is more important than say cooking a box of macaroni and cheese or assembling some flat pack furniture even though those things always come with instructions so that you are given a standard to get an acceptable and predictable result May my experiences on motherhood help you see what my husband and I did to raise our sons to be kind respectful and intelligent young men After all it worked not once but twice I pray you can glean any morsel of wisdom because we all need more wisdom I hope you can see the Holy Spirit at work in my parenting as I think walking in the fruit of the Spirit is just common sense
