Through prayer, God has orchestrated and directed us through many events in our life including the times when we were without jobs, were completing an unfinished board game, had accidents and illnesses and faced other seemingly impossible situations. Through it all, we have learned that God is supreme. He is in control and He cares even about the little things. **The Feather**, 1897 **My Feather** Jane Mainwaring,1990 Uses simple activities with a feather to introduce basic science concepts. Sacred Woman Queen Afua,2001-10-30 The twentieth anniversary edition of a transformative blueprint for ancestral healing featuring new material and gateways from the renowned herbalist, natural health expert and healer of women's bodies and souls. This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one Jada Pinkett Smith. Through extraordinary meditations, affirmations, holistic healing, plant-based medicine, KMT temple teachings and The Rites of Passage guidance, Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak, the foods we eat, the relationships we attract, the spaces we live and work in, and the transcendent woman spirit we manifest. With love, wisdom and passion, Queen Afua guides us to accept our mission and our mantle as Sacred Women to heal ourselves, the generations of women in our families, our communities and our world.
