Whether it's your child's first dog or a family project, this book turns training into a joyful learning experience that teaches not just obedience but also responsibility, confidence, and compassion. Train Your First Puppy is the perfect book for kids ages 6-12 who want to become real puppy trainers. Written by certified dog trainer and children's educator Lily A. Parker, this guide blends positive reinforcement, playful exercises, and real-life bonding tips into one easy-to-follow resource. Inside this beautifully designed kid-friendly training book, children will learn how to understand what puppies need to feel safe, loved, and ready to learn. Create a training schedule that works with school playtime and family routines. Teach essential commands like sit, stay, come, and walk on a leash. Use fun games, songs, and charts to make training exciting and effective. Handle puppy behaviors like biting, jumping, barking, and potty accidents with confidence. Track progress using star charts, printable diplomas, and journaling pages. Celebrate success with fun activities, reward ideas, and graduation day tips. What makes this book different from others? Unlike many puppy training books that are written for adults, this guide is created just for kids. It uses clear, encouraging language and hands-on activities designed to keep young trainers motivated. It's not just about training dogs; it's about helping kids become kind leaders and responsible pet owners for life. Whether you're preparing for a new puppy or already have a furry friend at home, this book is the perfect gift to help any child bond with their dog, build self-esteem, and learn life skills that last far beyond puppyhood.
