**That's My Crowd!** Shelton L. Smith,2004 In the religious climate of today it is important to know what God says our crowd should be Through the use of well over two hundred passages of scripture Dr Shelton Smith defines the fundamental crowd for us Evaluating our crowd by the standard of the Word of God may sometimes cost us some friends and they may accuse us of abandoning them But our separation from them will not be because the Bible has changed It will be because they have hoisted anchor and drifted with the winds Make sure you are sailing in safe waters with the right crowd

Craveable Artie Davis,2013-02-05 When people look at you what do they see Do they see Jesus Let's be honest In many places today the church is not particularly well liked It's viewed as judgmental mean ignorant and intolerant If we want to have any influence on the world or even the people next door we need to give some serious consideration to why that is How have Christians a people who are called by God to be the most loving caring understanding and joyous people in the world come to be viewed as the exact opposite How can we change that Craveable is an all out call for Christianity to return to the allure that caused the church to win the world in the first century It is time to start Listening as Jesus listened Loving as He loved Leading as He led In other words if God's church and His people were to act like Jesus loving the unlovable accepting all the unacceptable and demonstrating a life of faith and joy we would be successful in turning our perception from being unlikeable to actually being CRAVEABLE
