It moves from incidents like the medieval execution of pigs to a discussion of the politics and strategies of modern rights organisations. The book also presents radical interpretations of nineteenth century animal welfare laws and the accounts of the Noble Savage. The insights generated by social science are always at the core of the discussion and the author draws on the work of Michel Foucault, Norbert Elias, Claude Levi Strauss and Mary Douglas. This wide ranging and accessible book provides a fascinating account of the relations between humans and animals. It raises far reaching questions about the philosophy, history and politics of animal rights    **Man and Society in Indian Philosophy** K. Damodaran,1970
