## **Man Who Invented Hitler:**

**The Man who Invented Hitler** David Lewis,2003 As a soldier in the first World War Adolf Hitler never rose above the rank of lance corporal and before that he had been an impoverished drifter Yet within months of the war s end he had embarked on a path that was to lead Europe into years of conflict terror and the Holocaust In The Man Who Invented Hitler David Lewis pinpoints what he believes were the key events in his transformation He documents the fact that Hitler emerged from the war with hysterical blindness not blindness from mustard gas poisoning as commonly believed Hitler was treated by the controversial psychiatrist Edmund Forster whose methods included telling patients that only the strength of their will and personality could bring them recovery Once Hitler found that by sheer will he could cure his own blindness the next step was obvious to him

**The Man who Invented Hitler** David Lewis,2005 In this remarkable book David Lewis reveals Why Hitler was sent to a psychiatric hospital for his treatment How the doctor who treated him Edmund Forster deceived his unusual patient and dramatically changed Hitler s personality How the man who unintentionally created a monster was finally destroyed by him Back cover
