Charles Henry Olin

Man With My Name:

"Why Ask My Name?" Adele Reinhartz, 1998-11-12 Unnamed characters such as Lot's wife, Jephthah's daughter, Pharaoh's baker, and the witch of Endor are ubiquitous in the Hebrew Bible and appear in a wide variety of roles. Adele Reinhartz here seeks to answer two principal questions: first, is there a poetics of anonymity, and if so, what are its contours? Second, how does anonymity affect the reader's response to and construction of unnamed biblical characters? The author is especially interested in issues related to gender and class, seeking to determine whether anonymity is more prominent among mothers, wives, daughters, and servants than among fathers, husbands, sons, and kings, and whether the anonymity of female characters

functions differently from that of male characters **My Name Is Heretic** Bruce H. Joffe, 2015-11-21 You cant box God up in religion You cant box Jesus up in Christianity You cant box church up in a building You cant box faith up in a set of beliefs You cant box grace up in conditions The Kingdom of God isnt boxed up in our churches Imagine church without pulpits or pews creeds or confessionals no membership plate passing pledges vestments heavenly choirs or altar calls Without buildings to maintain or staff to sustain the church no longer is seen as a private club or guilt trip haven to heaven Instead its focus is on caring and sharing living here and now not in the hereafter Rather than part of our worldly empires the church has

become their antithesis From guts to glory the church begets reform **My Name's Not Friday** Jon Walter, 2015-07-02
