# Managerial Control Through Communication

**George T. Vardaman, Carroll C.  
Haltermann**

## **Managerial Control Through Communication:**

**Control Through Communication** JoAnne Yates,1993-03 A superb historical analysis of the philosophical and technological forces that led to the development of communication genres and processes in the modern American corporation  
**Managerial Control Through Communication** Vardaman,1975-01-01 *Managerial Control Through Communication; Systems for Organizational Diagnosis and Design* George T. Vardaman,Carroll C. Halterman,1968

**Managerial control through communication** George T. Vardaman, **Managerial Communication for Modern Organisations** B.P. Mahesh Chandra Guru,B.K. Ravi,2017-01-01 The book provides a good deal of information on applied business management communication with special reference to India and other developing nations The bibliography contains more than 300 references which are related to the subject of commerce and business management communication in India and abroad The book meets the objective of being a text book and reference book that provides relevant details pertaining to managerial communication to various stakeholders in India including the faculty members of MBA course researchers and students  
Management Control Through Business Forms Ladson Butler,O. R. Johnson,1930 **Angels of Efficiency** Florian Hoof,2020-03-02 Angels of Efficiency traces the invention of film and the parallel rise of management consulting telling the story of how these together brought about new forms of information visualization and visual management The period from 1880 to 1930 author Florian Hoof argues saw the genesis of a form of visual knowledge that provided a novel means to intervene in management processes Visual management largely superseded oral and written forms of communication and decision making instituting a strategy for overcoming the mid nineteenth century crisis of control and resulting in a media based form of rationality Focusing largely on early corporate consulting in America by tracing the careers of Frank Gilbreth and his wife and business partner Lillian Gilbreth Hoof examines the rise and lasting effects of corporate consulting as a visual form Framing consulting as a cultural technique that is characterized by media processes in which the boundaries of economic logic and legitimacy emerge Angels of Efficiency forges a new approach to the history of consulting In addition to pioneering a new field of film and media studies Hoof contributes original research to American cultural and economic history such as archival findings concerning Gilbreth s consulting efforts for the German Army during WWI With this distinct and innovative interdisciplinary approach Hoof has marshalled cinema and media studies business history and science and technology studies to make sense of the rise of consulting practices and their remarkable stability to this day  
**Performance Measurement and Management Control** Antonio Davila,Marc J. Epstein,Jean-Francois Manzoni,2012-06-08 In addition to the three plenary sessions this volume contains some of the exemplary papers that were presented at the 2011 conference representing a collection of leading research in management control and performance measurement and providing a significant contribution to the growing literature in the area *Personnel Bibliography Series* United States. Office of Personnel Management. Library,1979 **6th International Finance Conference on Financial**

**Crisis and Governance** Mondher Bellalah, 2011-08-08 Financial markets the banking system and the real estate commodity and energy markets have since 2007 been experiencing higher integration more volatility and have undergone several shocks More coordination is needed between G20 and market authorities Regulators banking supervision agencies and politicians are worried about economic growth and financial crisis This book covers seven aspects related to financial economic issues along with some connected topics The first covers risk assessment corporate governance and value creation through an appropriate risk management system The second covers international investments market correlation institutional holdings and market reactions during crisis The third part is devoted to empirical and quantitative analysis of the observed economics and finance issues The fourth part is devoted to the role of debt in financial crisis and its impact on financial markets and the world economy The fifth part is devoted to debt policy free cash flows and the structure of governance The sixth part deals with management control and the importance of communication The last part covers Islamic finance as an alternative to conventional finance for the debt solution the importance of the energy sector and the role of financial innovations
