Mathematical Knowledge Management Michael Kohlhase, 2006-01-20 This book constitutes the thoroughly refereed post proceedings of the 4th International Conference on Mathematical Knowledge Management. The 26 revised full papers presented were carefully selected during two rounds of reviewing and improvement from 38 submissions. The papers cover mathematical knowledge management. Topics range from foundations and the representational and document structure aspects of mathematical knowledge over process questions like authoring, migration and consistency management by automated theorem proving to applications in e learning and case studies. *Mathematical Knowledge Management*, 2005
