## **Mathilde Krim:**

**New York Magazine** ,1988-04-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea   **Mathilde Krim** John Morrison,2009 Provides a look at the life and accomplishments of Mathilde Krim a cancer researcher whose work with AIDS brought it to the forefront of the public s attention   **The End of the**

**Beginning** Michael Kinch,2019-04-02 For the first time since a 5th century Greek physician gave the name cancer karkinos in Greek to a deadly disease first described in Egyptian Papyri the medical world is near a breakthrough that could allow even the most conservative doctors and pragmatic patients to use the other c word cure in the same sentence as cancer A remarkable series of events has brought us to this point thanks in large part to a new ability to more efficiently harness the extraordinary power of the human immune system The End of the Beginning is a remarkable history of cancer treatment and the evolution of our understanding of its dynamic interplay with the immune system Through Michael Kinch s personal experience as a cancer researcher and the head of the oncology program at a leading biotechnology company we witness the incredible accumulation of breakthrough science and its rapid translation into life saving technologies that have begun to dramatically increase the quality and quantity of life for cancer patients In clear and accessible prose Kinch details the remarkable history of people science technology and disease and presents thrilling next generation technologies that hold the promise to eliminate cancer for some and perhaps ultimately for all   **Israel's Armor** Walter L. Hixson,2019-04-11 Israel

s Armor provides a foundational history of the Israel lobby and its influence on American foreign policy   **Lady Bird and Lyndon** Betty Boyd Caroli,2015-10-27 Marriage is the most underreported story in political life and yet is often the key to its success This is the idea driving a revealing new portrait of Lady Bird as the essential strategist fundraiser barnstormer peacemaker and ballast for Lyndon A biography of a political partnership that helps explain how the wildly talented but deeply flawed Lyndon Baines Johnson ended up making history P 2 of jacket   **New York Magazine** ,1988-04-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea   **Mathilde Krim** Lindsy Van

Gelder,1986   **A to Z of Women in Science and Math** Lisa Yount,2007 From ancient times to the present day scientifically inclined women in many cultures have had to battle against the traditional belief that men are more cognitively adept than women At times throughout history women were persecuted for their attempts to break down traditional gender

barriers Today women scientists and mathematicians must continue to defend the quality of their work and demand the respect they deserve in the mathematical and scientific communities *A to Z of Women in Science and Math* Revised Edition profiles 195 women who fought against these stereotypes throughout history and all over the world to forge new discoveries and theories that would eventually change the way we view science This thoroughly revised book updates the story of each individual to the present day and features 38 new profiles Among the profiles included are those of chemists astronomers geologists environmental scientists and a range of other professions and careers In addition new photographs have been added and the bibliography has been updated Subject indexes allow the reader to search by such professions as microbiology and paleontology Additional subject indexes organize individuals by country of birth country of major scientific activity and year of birth **Interferon** Toine Pieters,2005 This book charts the history and development of one of the most important medical substances of the twentieth century Interferon as a drug

**Contemporary Biography - Women** ,1991 **Lady Bird Johnson and the Environment** Lewis L. Gould,1988 Gould American history U of Texas Austin has dusted off updated and thinned his 1988 *Lady Bird Johnson and the Environment* to kick off the new series on the wives of US presidents He draws on Johnson s White House papers and interviews with her and her close associates to argue that she was one of the most politically active First Ladies though her concern with the environment was overshadowed by protests against the Vietnam War Annotation copyrighted by Book News Inc Portland OR
