**Choice, Pathways and Transitions Post-16** Stephen Ball,Sheila Macrae,Meg Maguire,2013-11-05 This internationally appealing book is based on a two year case study of a group of young people as they move through their final year of mandatory schooling and into their first year of post 16 experience It looks at their choices the market behaviour of local education and training providers and those who help and advise these choices The authors show that recent and current political policies for post 16 education disadvantage marginalise and exclude young people rather than improve their life chances The book draws together the major issues and attempts to suggest alternative ways forward for a more inclusive post 16 education and training system     New Scientist ,1996     **Key Maths GCSE.** David Baker,2001 Developed for the EDEXCEL specification this course provides thorough preparation for GCSE success with an enjoyable and motivating approach Now revised for the new National Curriculum and the new GCSE specifications Detailed support and guidance are contained in the Teacher Files on advanced planning points of emphasis key words notes for the non specialist useful supplementary ideas and homework sheets Summary and test yourself questions are also included     *Key Maths GCSE* ,2002 Developed for the AQA Specification revised for the new National Curriculum and the new GCSE specifications The Teacher File contains detailed support and guidance on advanced planning points of emphasis key words notes for the non specialist useful supplementary ideas and homework sheets     **RSA Journal** Royal Society of Arts (Great Britain),2001

*Gender in Modern Britain* Nickie Charles,2002 Nickie Charles discusses theoretical developments in the sociological study of gender providing an overview of how conceptual shifts have affected not only what is studied which is itself changing but also how it is studied and the questions that are asked The empirical areas that provide the focus of the book are paid employment domestic labour parenting education the crisis of masculinity sexuality and politics Although the book is centrally concerned with gender attention is paid to other bases of inequality and social identities such as class ethnicity and sexuality Throughout the author engages with contemporary debates about the significance of changes in gender relations showing that while there has been very real change in some areas of social life in others there has been remarkable continuity Finally gender relations in Britain are situated in international context and linked to global social and economic processes and divisions of labour This important new study of gender in modern Britain provides a succinct and clearly written textbook for students on gender studies women s studies and sociology of gender courses     **GCSE Maths**

**Intermediate Level** Arnold Burdett,Carol Vorderman,1994 Both government and parents are concerned about standards of

education today with the UK's literacy and numeracy rating among the worst in Europe. Parents are now being actively encouraged to help their children to learn and this unique series of books aimed at the older child is an excellent means of doing this. Fronted by top children's TV personality Carol Vorderman, the book provides a lively way of learning and revising the new National Curriculum and GCSE subjects. With this book relevant GCSE examinations Foundation, Intermediate and Higher, **THE WAY TO PASS MATHS** provides a complete learning package for 15 and 16 year olds. It is at this stage in their school career that the pressure really will be on to pass exams and the 3 GCSE books provide excellent learning and revision back up to their schoolwork. The text and instruction graded in easy steps is clear and straightforward with advice and tips from a leading educational expert.

*Education in Northern Ireland* Great Britain: Parliament: House of Commons: Northern Ireland Affairs Committee, 2006-02-09. Secondary education in Northern Ireland is currently based on a selective system according to academic ability with the use of an 11 plus style test. However, the DfES has announced that academic selection will be ended by autumn 2008 and a consultation document published in December 2005 set out proposals for new post primary arrangements. Although it was felt to be inappropriate to undertake a full inquiry at this late stage in the decision making process, the Committee's report contains oral and written evidence submitted by interested parties to the debate. The Committee notes that education is a formerly devolved responsibility and states its hope that there will be scope for detailed supervision of any reforms by a restored Northern Ireland Assembly as well as by the House of Commons.
