Matthew Thy Kingdom Come A Commentary On The First Gospel:

Matthew John F. Walvoord, 1998 This verse by verse commentary of the book of Matthew by popular author and scholar John Walvoord examines the life of Christ and the stages of acceptance and rejection that He endured The nine parts of the book include the origin of Jesus Christ the credentials of the King the continued ministry of the rejected King the Olivet Discourse on the end of an age the period between the two advents and the death and resurrection of the rejected King

Matthew John F. Walvoord, 1974 *Justification by the Word* Jack D. Kilcrease, 2022-09-21 God's Word creates what he commands In *Justification by the Word* Jack D. Kilcrease reintroduces Martin Luther's key doctrine Though a linchpin of the Reformation Luther's view of justification is often misunderstood For Luther justification is an expression of God's creative Word To understand Luther on justification one must grasp his doctrine of the Word The same God who declared let there be light and it was so also declares your sins are forgiven Justification is an objective reality It is achieved in Christ's resurrection and received through an encounter with the risen Christ in Word and sacrament Justification turns us outward away from our own unsteady feelings and limited understanding to look to Christ And the church must preach justification lest we so easily forfeit the joy of the gospel Justification by the Word inspires readers to reencounter the radical doctrine of justification by faith alone *Revelation Hoofbeats* Ron J. Bigalke, Jr., 2003-06 **King James Version Bible**

Commentary Thomas Nelson, 2005-09-18 The King James Version Bible Commentary is a complete verse by verse commentary comprehensive in scope reliable in scholarship and easy to use Its authors are leading evangelical theologians who provide practical truths and biblical principles Any Bible student will gain new insights through this one volume commentary based on the timeless King James Version of the Bible Features Include Every verse of the Bible covered Old and New Testaments Complete text of Scripture in parallel column Outlines and introductions on each book of the Bible provide valuable information for effective Bible study Maps and Charts to help you visualize key events in biblical history Thorough Evangelical scholarship This commentary is designed to meet the needs of pastors teachers and ordinary Bible readers and students alike It draws upon the work of Bible scholars and provides references to their own works in Bibliographies for those who wish to carry their study further *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find

the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
