Barber,2013-07-09 Through a discussion of Biblical texts this book presents four perspectives on the role of works at the final judgment The final judgment is the last and final act before God dwells with his people forever Scripture makes that clear but what function do our actions play in the final assessment of our souls especially those of professing Christians The contributors each state their case for one of four prominent views on the effect of works at the end of time Robert N Wilkin Works will determine rewards but not salvation Thomas R Schreiner Works will provide evidence that one actually has been saved James D G Dunn Works will provide the criterion by which Christ will determine eternal destiny of his people Michael P Barber Works will merit eternal life This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors allowing you to compare their beliefs in an open forum setting to see where they overlap and where they differ The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Alan P. Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such

professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith. Hence Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven. Such a judgment will be made when Jesus returns and judges every person according to his or her works. While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g. Rom 3:21-4:25 Gal 2:16-21 Eph 2:8-9 there is every good reason to understand that Jesus' teachings complement such passages. The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion. They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life. Hence Jesus did teach salvation by works. However God is the one who produces the works and they occur after conversion. Thus salvation is not one's initial conversion but one's final entrance into heaven.

Matthew Frederick Dale Bruner, 2007-06-25 Recognized as a masterly commentary when it first appeared, Frederick Dale Bruner's study of Matthew is now available as a greatly revised and expanded two volume work, the result of seven years of careful refinement, enrichment and updating. Through this commentary, crafted especially for teachers, pastors and Bible students, Bruner aims to help God's people love what Matthew's Gospel says. Bruner's work is at once broadly historical and deeply theological. It is historical in drawing extensively on great church teachers through the centuries and on the classical Christian creeds and confessions. It is theological in that it unpacks the doctrines in each passage, chapter and section of the Gospel. Consciously attempting to bridge past and present, Bruner asks both what Matthew's Gospel said to its first hearers and what it says to readers today. As a result, his commentary is profoundly relevant to contemporary congregations and to those who guide them. Bruner's commentary is replete with lively verse by verse discussion of Matthew's text. While each chapter expounds a specific topic or doctrine, the book's format consists of a vivid original translation of the text followed by faithful exegesis and critical analysis, a survey of historical commentary on the text and current applications of the text or theme under study. In this revision, Bruner continues to draw on the best in modern scholarship, including recent work by W. D. Davies and Dale C. Allison Jr. by Ulrich Luz and by many others, adding new voices to the reading of Matthew. At the same time, he cites the classic commentaries of Chrysostom, Jerome, Augustine, Luther, Calvin, Bengel and the rest, who like Bruner himself were not simply doctrinal teachers but also careful exegetes of Scripture. Such breadth and depth of learning assure that Bruner's Matthew will remain as a reviewer for Interpretation wrote the most dog-eared commentary on the shelf. Volume 1 of Bruner's commentary is called The Christbook.

because the first twelve chapters of Matthew are focused on the nature and work of Christ As Bruner proceeds through these chapters he shows how Matthew presents step by step central themes of Christology Jesus coming chapters 1 4 his teaching 5 7 his miracles 8 9 his sermon on mission 10 and his person 11 12 Throughout the book there are also thoughtful discussions of significant topics such as baptism marriage Jewish Christian relations and heaven and hell Eminently readable rich in biblical insight and ecumenical in tone Bruner s two volume commentary on Matthew now stands among the best in the field

Expository thoughts on the Gospel of st. Matthew (Mark, Luke, John) with the text complete and explanatory notes. Popular ed John Charles Ryle,1897 **Matthew** Thomas G. Long,1997-01-01 The original audience for the Gospel of Matthew included converts from Judaism who wrestled with how to be faithful to Jesus Christ under difficult circumstances in a changing world The Gospel of Matthew became a first aid manual for this church in the midst of a struggle Thomas Long identifies this first audience and its faith within the social and religious context of the day and clarifies the structure of the Gospel Providing examples of contemporary relevance Long helps today s reader discern the significance of this guide for faithful living in today s church Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups

The Sermon on the Mount Roland H. Worth,1997 Roland Worth s study of Jesus Sermon on the Mount traces the roots of Jesus teaching to the precepts of the Torah and Prophets This is a comprehensive work for those who seek a deeper knowledge of the Bible *Matthew* Frederick Dale Bruner,2007 Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions this book asks both what Matthew s Gospel said to its first hearers and what it says to readers today It shows how the focus of Matthew shifts from Jesus teaching about who he is to teaching mainly about what his church is

The Gospel of Matthew - Complete Bible Commentary Verse by Verse Matthew Henry,2016-05-02 This is another volume in the series of Bible Commentaries of Matthew Henry In this Volume the entire text of the Gospel of Matthew is commented with notes of each chapter This Commentary will help you better understand the God s word Churches theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the Gospel of Matthew

The Gospel According to Matthew Leon Morris,1992-07-29 Morris s latest book fills a gaping hole in the shelf of New Testament commentaries At last we have a work on Matthew that is worthy to take its place beside the major studies on the other Gospels Its thoroughness clarity and theological sensitivity will make it a treasured resource for all students of the Bible David Allan Hubbard Fuller Theological Seminary

The Gospel of Matthew Rudolf Schnackenburg,2002 From ancient times the Gospel of Matthew has been regarded as the church Gospel its aims are preeminently catechetical pastoral and missionary But recent research raises many questions regarding Matthew s creation theological intentions and shapingfor the circle of its first recipients This highly original commentary by Rudolf

Schnackenburg follows Matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons. Schnackenburg sees Matthew's purpose as simply the proclamation of Christian salvation. His commentary gives extra attention to the great discourses of Jesus found in Matthew such as the Sermon on the Mount showing how Jesus' words and works have special currency for the self-understanding of the church and for the task of Christian living today. Written by a master exegete with a pastor's sensitivity, this commentary will fast become a classic study of Matthew's Gospel.

Matthew for Today Ken Green, Michael Green, 1988

Matthew Anna Case-Winters, 2015-03-18

One of the most beloved books of the New Testament, the Gospel of Matthew speaks with eloquence and power. Among the Gospels, Matthew paints a fuller picture of the life, ministry, and teachings of Jesus. Anna Case-Winters's incisive commentary reveals that Matthew is clearly a theological book. It is about God's saving work in Jesus Christ. Moreover, it is presented in a way that easily lends itself to the task of teaching and preaching. Case-Winters highlights five themes that shape the distinctive portrait of Jesus: this Gospel offers here we see Jesus facing up to conflict and controversy, ministering at the margins, overturning presuppositions about insiders and outsiders, privileging the powerless, demonstrating the authority of ethical leadership, challenging allegiance to empire, and pointing the way to a wider divine embrace than many dared imagine. Case-Winters captures the core of Matthew's unique Gospel, which speaks powerfully to the life of Christian faith today in the midst of our own issues and struggles.

A Commentary on the Gospel of Matthew Craig S. Keener, 1999

This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience. By merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations, Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. In addition, Keener's commentary is a useful discipleship manual for the church. His unique approach recaptures the full shock effect of Jesus' teachings in their original context and allows Matthew to make his point with greater

narrative artistry Keener also brings home the total impact of Matthew's message including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today Opening the Scriptures Bringing the Gospel of Matthew to Life George Martin, 2014-08-20 Ask and it will be given to you seek and you will find knock and the door will be opened to you Matthew 7:7 Asking seeking and knocking are three imperatives Jesus gave his disciples and us in order to grow fully in our Faith and be true disciples of Jesus Scripture reading and study is an important part of that path to discipleship and offers us opportunities to ask for clarity to seek the truths of the Bible to knock asking Christ to come into our hearts George Martin prolific writer on Scripture and author of Bringing the Gospel of Luke to Life and Bringing the Gospel of Mark to Life now brings Matthew's Gospel into sharp focus in a verse by verse commentary Martin gives readers the context of the first century meaning and what it means to us today Reflection questions help us to apply the biblical texts to our own lives This book is perfect for anyone who wants to learn more about the Gospel of Matthew as well as priests deacons catechetical leaders Bible study leaders Scripture teachers or seminarians Let George Martin bring the Gospel of Matthew to Life for you today
