The Garden Crypt: Exploring the Other Side of Gardening Nikki S. Phipps, 2012-12-18 This is a book that explores the other side of the gardening realm from the darker side to the more uplifting yet ominous and unusual side of gardening Everything from unusual garden styles and factoids to gardening lore superstitions and more can be found within the pages of *The Garden Crypt* *The Garden* ,1895 *House & Garden* ,1913 **Community Gardening in an Unlikely City** Tyler Schafer, 2020-12-10 Community gardening is as much about community as it is gardening and compared to growing plants cultivating community is far more difficult In *Community Gardening in an Unlikely City The Struggle to Grow Together* in Las Vegas Schafer documents his time as a member of a fledgling Las Vegas community garden and the process through which a rotating group of gardeners try to forge community He demonstrates the ways in which choices gardeners make about what goals to pursue or who belongs or what story to tell about their collective efforts influence how they and others experience and interpret the garden The garden culture that emerges over time shapes how or whether community is practiced at the garden and has important consequences for the gardeners abilities to connect with the low income Black and Latinx community in which it is located Schafer s analysis provides important insights about urban culture the environment and food justice in the American Southwest and a sober look into the often messy process and practice of community *The Wild Garden* William Robinson, 1881 *American Gardening* ,1897 **The Beautiful Flower Garden, Its Treatment with Special Regard for the Picturesque** Ferdinand Schuyler Mathews, 1900 **An Encyclopaedia of Gardening** John Claudius Loudon, 1824 *Garden Magazine and Home Builder* ,1921 **Gardening Illustrated** ,1905 **Van Gogh in Arles** Vincent van Gogh, Ronald Pickvance, 1984 A collection of paintings and drawings produced by Vincent van Gogh while living in the South of France is accompanied by discussions of this period of his life and work GoogleBooks *An Encyclopædia of Gardening* John Claudius Loudon, 1829 **Constitutions for Grand and Private Gardens, of the Order of Danielites.
