Other Movie Monster:

Revenge of the Movie Monster Models Mark C. Glassy, 2024-05-29 Science fiction and fantasy movies of the 20th century feature many iconic figures and monsters and the ability to create and own many of them in the form of models provides fans with an opportunity to mingle amongst the greats and not so greats This book is a collection of figures and dioramas of monsters from both science fiction and fantasy films Models are presented in chronological order decade by decade starting with films in the silent era and running through the end of the century The building and painting of the figures and dioramas of various scenes from these films some more accurately than others provides an opportunity to preserve key moments in these movies

Movie Monsters of the Deep Faith Roswell, 2024-07-30 Is there a shark movie that is scarier than Jaws What is the sneaky secret hidden in the Loch Ness monster's name How did the Gill man in Creature from the Black Lagoon become a romantic hero Do mermaids count as sea monsters What terrifying sea creature was discovered to really exist and just what on earth is a globster From Kraken to kaiju Open Water to The Shallows monsters of the deep have fascinated and horrified us for centuries There's even a name for the fear of deep bodies of water thalassophobia Humans have a natural fear of predators in the water and yet we just can't stop thinking about them There are a lot of deep water monster movies out there good bad strange and so bad it's good This book has collected some of the best worst and most interesting out there to tell you about If you ever wanted to know your crocodile from your Cthulhu and find out how they make the monsters come alive whether you like your monsters in the ocean or in lakes based on real animals or totally made up with fins or tentacles one head or five if you love your movie monsters of the deep then this book was written for you

Monsters of Film, Fiction, and Fable Lisa Wenger Bro, Mary Ann Gareis, Crystal O'Leary-Davidson, 2018-07-27 Monsters are a part of every society and ours is no exception They are deeply embedded in our history our mythos and our culture However treating them as simply a facet of children's stories or escapist entertainment belittles their importance When examined closely we see that monsters have always represented the things we fear that which is different which we can't understand which is dangerous which is Other But in many ways monsters also represent our growing awareness of ourselves and our changing place in a continually shrinking world Contemporary portrayals of the monstrous often have less to do with what we fear in others than with what we fear about ourselves what we fear we might be capable of The nineteen essays in this volume explore the place and function of the monstrous in a variety of media stories and novels like Baum's Oz books or Gibson's Neuromancer television series and feature films like The Walking Dead or Edward Scissorhands and myths and legends like Beowulf and The Loch Ness Monster in order to provide a closer understanding of not just who we are and who we have been but also who we believe we can be for better or worse

Movie Monsters in Scale Mark C. Glassy, 2012-12-01 This book showcases stunningly realistic and wonderfully posed models and dioramas depicting various characters and scenes from science fiction and horror cinema The models and dioramas are presented in chronological order starting with the silent films

from 1910 to 1927 then the classic films from the 1930s and 1940s including Universal Studios Dracula Frankenstein and Wolf Man franchises Next are the many radiation induced mutants and invaders from outer space of the 1950s followed by offerings from the 1960s 1970s 1980s and 1990s Hammer Films are included as well as the Mummy movies and Universal s Gillman series A detailed explanation of the nitty gritty of model and diorama building is presented and particular details unique to each piece are shown in close ups and discussed The figures are of unprecedented artistry *Monsters and Monstrosity in Media: Reflections on Vulnerability* Yeojin Kim,Shane Carreon,2024-04-16 As monstrous bodies on screen signal a wide range of subversive destabilization of the notions of identity and community this anthology asks what meanings monsters and monstrosity convey in relation to our recent circumstances shaped by neoliberalism and the pandemic that have led to the intensified tightening of border controls by nation states the intensive categorization of un identifiable bodies and subsequent forms of isolations and detachments imposed by social distancing and the rapid transition of sociality from reality to virtual reality Presenting various thinkings along the lines of the body and its representations as cultural text together with popular or recent media productions showing various bodies deemed to be monstrous as they either cross conventionally held borders or stay in liminal spaces such as between human animal human machine virtual bodies corporeal flesh living death and other permeable borders this volume looks into the on screen constructions of the monster and monstrosity not only as they represent notions of difference perceived non belongings and disruptions of traditional identity markers but also as they either conceal various vulnerabilities or implicitly endorse violence towards the labeled Other
