Otra Vuelta De Tuerca:

Otra vuelta de tuerca Henry James, Otra vuelta de tuerca es una de las obras más importantes de la literatura norteamericana y la más famosa de su autor Henry James. Tuvo decenas de adaptaciones al cine y a la televisión y es de lectura obligatoria en las escuelas secundarias de Estados Unidos. Todo comienza cuando una institutriz llega a la mansión Bly contratada para cuidar a dos niños que viven sin parientes cercanos. El lugar recoge todas las características de una mansión de la época victoriana. Fiel a las clásicas historias de la literatura gótica, esa lujosa mansión guarda secretos que la institutriz irá descubriendo, apareciéndole viejos recuerdos y niños perturbadores que deambulan como dueños de un maleficio. Una novela fundamental para entender una época convertida en clásico gracias a su temática siempre vigente, resignificada a la luz de los tiempos que corren.

Otra vuelta de tuerca / The Turn of the Screw Henry James, 2016-01-26. Otra vuelta de tuerca es considerada la historia de fantasmas por antonomasia y un hito insoslayable en la historia de la literatura universal. Protagonizada por una joven institutriz al cuidado de dos niños en una mansión victoriana a lo largo de la narración, intervienen presencias y personajes tal vez sobrenaturales. La anterior institutriz y el sirviente murieron en extrañas circunstancias. Cuál es el secreto que se oculta entre los muros de la mansión? Para descubrirlo, el autor nos conduce magistralmente por los vericuetos de la historia en un sostenido e inquietante crescendo.

ENGLISH DESCRIPTION: Widely recognized as one of literature's most gripping ghost stories, this classic tale of moral degradation concerns the sinister transformation of two innocent children into flagrant liars and hypocrites. The story begins when a governess arrives at an English country estate to look after Miles, aged ten, and Flora, eight. At first everything appears normal, but then events gradually begin to weave a spell of psychological terror. One night a ghost appears before the governess. It is the dead lover of Miss Jessel, the former governess. Later the ghost of Miss Jessel herself appears before the governess and the little girl. Moreover, both the governess and the housekeeper suspect that the two spirits have appeared to the boy in private. The children, however, adamantly refuse to acknowledge the presence of the two spirits in spite of indications that there is some sort of evil communication going on between the children and the ghosts. Without resorting to clattering chains, demonic noises and other melodramatic techniques, this elegantly told tale succeeds in creating an atmosphere of tingling suspense and unspoken horror matched by few other books in the genre. Known for his probing psychological novels dealing with the upper classes, James in this story tried his hand at the occult and created a masterpiece of the supernatural that has frightened and delighted readers for nearly a century.
