**Rita DeMaria, Mo Therese Hannah**

## **Our Intimate Relationships:**

**Woman to Woman** Daniela Granzotto, 2012-03-01 An exploration of the bonds that play a central role in women's lives and which are critical for a woman's sense of identity and emotional well-being. For the modern woman the need for love and acceptance from another has never been more important. Finding true love however has never been more fraught with challenge and adversity. You may have experienced infidelity, had a partner who fails to respect your boundaries or felt deeply sad and lonely in your marriage. You could also be a woman who has a strong desire to marry but can't find your soul mate. In *Woman to Woman* you will read about others who have experienced such challenges as well as those who were able to find fulfillment in their romantic relationships. In their own words they talk about marriage, sex, infidelity, divorce and single life. Entwined within their stories Dr Daniela Granzotto discusses critical issues that characterize a healthy intimate relationship. With frankness and warmth Dr Granzotto shares her expert knowledge and insight. *Woman to Woman* to empower you with a better understanding of yourself and your love life. [Our Intimate Relationships](#) Ollie Pocs, 1994 **Intimate Partners**

Maggie Scarf, 2008-09-02 Anyone involved in embarking on or yearning for an intimate relationship should buy, borrow or steal *Intimate Partners*. New Woman. What goes on in our intimate attachments? What patterns of relationships do couples tend to follow and why? The bonds we create affect every aspect of our lives and yet our grasp of them is limited by our emotional reactions and learned responses. Now in *Intimate Partners*, bestselling author Maggie Scarf gives us the classic book on marriage on how love relationships are formed and how they change over the course of the marital cycle. Here you'll discover how to understand one's inherited emotional history and how it fits with a partner's; the fascinating ways in which power and control and intimacy and autonomy exert strong effects upon the kind of partnership two people create; surprising observations on the role of sex and the impact of children on marriage; why change can be experienced as a form of betrayal and how to ensure that a relationship matures with and is not impeded by each individual's growth; simple exercises that couples can do to resolve tensions and change the nature of the world they share; verbal and physical techniques to cope with sexual difficulties and enliven a couple's connection during sex; straightforward methods for how to engage in healthy, not dysfunctional, quarrels. *Intimate Partners* is a book that changes not only how we view love relationships but also how we live them. Every marriage contains a story and it begins long before the wedding. Maggie Scarf tells us in her ambitious, thought-provoking, ultimately compelling study. Read it and feel consoled. USA Today. Listen to Maggie Scarf and you'll come away thinking that yes, marriage can be tough. Living long term with another person is one of the greatest challenges there is, but it's well worth the effort. Chicago Tribune. Provocative. Scarf writes lucidly and convincingly. The Washington Post Book World.

[Couples](#) Barry Dym, Michael Lyon Glenn, 1993 Everyone in or out of a relationship has wondered how couples work and what makes them successful or unsuccessful, long-lasting or short-term. In this insightful, refreshingly nonjudgmental book Barry Dym, Ph.D. and Michael Glenn, M.D. chart the stages of a couple's journey together and offer a provocative glimpse of

the complex birth and development of intimate partnerships At the heart of *Couples* the authors identify three distinct yet recurring stages common to all enduring relationships We learn that couples begin with a period of Expansion and Promise a time when each individual feels somehow larger more witty and charming in short the best person that he or she can be The intensity of Expansion cannot last though and inevitably will move into Contraction we each pull back into our more habitual ways enact or demand more stereotypical gender roles and feel disappointed and betrayed Couples who weather the storm of Contraction and long term couples will experience many of them will resolve their struggles and move into a time of Resolution when intimacy is renewed and each individual can become more complete containing both their best and worst selves But *Couples* is much more than a map Illustrating their ideas with in depth examples Drs Dym and Glenn reveal how a couple s identity is shaped by these stages and the powerful cultural expectations of society friends and family who tell us what a couple should be *Couples* analyzes how recurrent patterns are established and the impact of gender issues children and the serious crises that occur in any lifetime Finally the authors offer accessible suggestions for applying these concepts to one s own relationship guiding couples and individuals in how to manage their own periods of turmoil and transition Original engaging and thoughtful *Couples* uncovers the essence of our most intimate relationship ultimately it offers a striking portrait not just of whom we love and why but who we are **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved **Love and Intimate Relationships** Norman M. Brown, Ellen S.

Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work *Love and Intimate Relationships* investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of *Mad Magazine* help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject *Love and Intimate Relationships* helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships **Building Intimate Relationships** Rita DeMaria, Mo Therese Hannah, 2013-08-21 The PAIRS course acts as a kind of bridge between marriage education and therapy working both with couples in healthy relationships hoping to improve intimacy and with distressed couples trying to save their marriages *Building Intimate Relationships* is an edited work with contributions from the creator of the PAIRS program and the most experienced PAIRS leaders It describes the elements of the PAIRS course and discusses the application of the theories and techniques taught in the PAIRS program Chapters include discussions on intimacy communication conflict resolution emotional literacy sensuality and sexuality spirituality and gender issues *The Psychology of Love and Hate in Intimate Relationships* Katherine Aumer, 2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However

the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or unconventional aspects. The goal of this volume is to explore and illuminate some of these underrepresented aspects such as non monogamy, female orgasm, sadism and hate that often function alongside love in intimate relationships. Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships. Throughout the volume contributors from social, clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives. The first section covers love and the changing landscape of intimate relationships. Its chapters review the current literature and research of understudied topics like non monogamy, female orgasm, sexual fantasies and the viewpoint of love as something other than positive. The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion. The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully. Taken together these two sections reflect the full variety of experiences within intimate relationships. With the aim of exploring how love and hate can and frequently do work together, *The Psychology of Love and Hate in Intimate Relationships* is a fascinating psychological exploration of intimate relationships in modern times. It is an invaluable resource to academics and students specializing in psychology, gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships.

**The Seven Levels of Intimacy** Matthew Kelly, 2005-11

*We All Crave An Authentic Experience Of Intimacy* Though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task. Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves. In *The Seven Levels of Intimacy* Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy. Matthew reveals that each relationship is built upon a pattern of interaction. In the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts. We grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints. Once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes, dreams and feelings developing trust. With this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone. At last we are deeply intimate and both willing and able to reveal our deepest fears. We are beyond judgment and feel trust and acceptance. By moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved. It is through mastering the seven levels of intimacy that we will break through to fully experiencing love, commitment, trust and happiness. *The Seven Levels of Intimacy* is a brilliant and practical

guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner With profound insight and the use of powerful everyday examples Matthew Kelly explains how we can nurture the intimacy in our relationships The Seven Levels of Intimacy redefines how we view our interactions with others This new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for

**Out of Touch** Michelle Drouin, 2022-02-01 A behavioral scientist explores love belongingness and fulfillment focusing on how modern technology can both help and hinder our need to connect A Next Big Idea Club nominee Millions of people around the world are not getting the physical emotional and intellectual intimacy they crave Through the wonders of modern technology we are connecting with more people more often than ever before but are these connections what we long for Pandemic isolation has made us even more alone In Out of Touch Professor of Psychology Michelle Drouin investigates what she calls our intimacy famine exploring love belongingness and fulfillment and considering why relationships carried out on technological platforms may leave us starving for physical connection Drouin puts it this way when most of our interactions are through social media we are taking tiny hits of dopamine rather than the huge shots of oxytocin that an intimate in person relationship would provide Drouin explains that intimacy is not just sex although of course sex is an important part of intimacy But how important Drouin reports on surveys that millennials perhaps distracted by constant Tinder swiping have less sex than previous generations She discusses pandemic puppies professional cuddlers the importance of touch desire discrepancy in marriage and the value of friendships Online dating she suggests might give users too many options and the internet facilitates infidelity related behaviors Some technological advances will help us develop and maintain intimate relationships our phones for example can be bridges to emotional support Some on the other hand might leave us out of touch Drouin explores both of these possibilities

**Great Myths of Intimate Relationships** Matthew D. Johnson, 2016-05-31 Great Myths of Intimate Relationships provides a captivating pithy introduction to the subject that challenges and demystifies the many fabrications and stereotypes surrounding relationships attraction sex love internet dating and heartbreak The book thoroughly interrogates the current research on topics such as attraction sex love internet dating and heartbreak Takes an argument driven approach to the study of intimate relationships encouraging critical engagement with the subject Part of The Great Myths series it is written in a style that is compelling and succinct making it ideal for general readers and undergraduates

**The Psychology of Love and Hate in Intimate Relationships** Katherine Aumer, 2016-07-01 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or unconventional aspects The goal of this volume is to explore and illuminate some of these

underrepresented aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together The Psychology of Love and Hate in Intimate Relationships is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and therapists and all those interested in increasing our knowledge of intimate relationships

*Intimate Relationships* Veronica Johnson, Kimberly Parrow, Sara Polanchek, 2021-07-19 In *Intimate Relationships Skills and Strategies that Lead to Success* editors Veronica Johnson Kimberly Parrow and Sara Polanchek bring together a collective of voices from different fields and perspectives to offer readers a comprehensive and practical guide to intimate relationships The text considers all varieties of intimate relationships including familial relationships friendships romantic relationships and sexual relationships Through revealing narratives and research readers are encouraged to consider the many identities we each bring into our relationships as well as how the practice of inclusivity and a greater understanding of differences can enhance intimacy Dedicated chapters address the role of technology in modern relationships interpersonal communication about sex emotional intelligence and managing conflict Readers learn about the connection between friendship and mental health functioning issues related to breakups blended families and dating later in life Each chapter features contextual information reflection questions activities and recommended reading to enhance the learning experience Designed to provide readers with skills and knowledge they can apply in their everyday lives *Intimate Relationships* is ideal for courses in psychology counseling counselor education and others within the helping disciplines

*The Future of Love* Daphne Rose Kingma, 2010-04-21 The future of relationships is moving us toward the vaulting awareness of who we really are as human beings something we have managed to avoid for a very long time by being so thoroughly committed to convention This is the future of love vast love love beyond boundaries love without preconceptions and judgments love without outdated myths love which can actually be experienced At a time when over half of all marriages are ending in divorce Daphne Rose Kingma a well known therapist and relationship expert has recognized that our familiar

ways of thinking about relationships are no longer working I have written this book because it is clear that many of our previous assumptions about relationships need to be dismantled writes Kingma As we go through this process we will discover a number of new ideas that our relationships can have different forms than we ever imagined that they will serve different purposes that they will require different offerings from us They will also bring us new gifts We are in the midst of a sea change in which not only are many traditional relationships failing but unexpected new arrangements are beginning to appear gay marriages are surfacing step families abound and many people are consciously choosing to live alone As Kingma explains these transformations should not be feared instead they represent a real opportunity In the past conventional relationships were often destroyed by an overemphasis on the nuts and bolts of psychology on working to achieve the unattainable perfect relationship while ignoring our most vital selves our souls The glorious message of The Future of Love is that the disturbing changes we are all experiencing are actually part of the soul's plan as it breaks down outdated

conventions to bring us a new fuller understanding of love **How Couple Relationships Shape Our World** Andrew Balfour, 2018 This book is about the importance of the couple relationship in the broadest terms It draws on clinical researches into the inner lived world of adult couples empirical developmental research into children and parenting as well as the legal setting when relationships break down It aims to bridge the inner and outer worlds showing how our most intimate relationships have vital importance at all levels from the individual and the family to the social setting and explores the implications for practice and policy Above all it is a book about applications of clinical thinking linked with research knowledge as tools for front line workers and policy makers alike It draws on the tradition of applied clinical thinking and research of the Tavistock Centre for Couple Relationships linking current thinking with the history of ideas in each area it covers as well as considering implications for the future Provided by publisher **From Impasse to Intimacy** David

Shaddock, 1998-04 An experienced couples counselor identifies the unconscious factors that influence the way we feel and behave in intimate relationships the invisible needs that create and sustain our dysfunctional patterns of relating Whereas the conventional focus on changing our marital scripts bypasses excavation of their roots in our deepest childhood fears of abandonment intrusion shame David Shaddock weaves contemporary thinking about the individual into the family systems approach to therapy Effortlessly and with gentle authority he introduces concepts that professional and popular readers alike can adopt to begin to decode symbolic issues and in turn generate the understanding that builds empathy between partners

**Pain and Joy in Intimate Relationships** Mavis Klein, 1993 This book addresses the reality of the world we are so often unwilling to accept the irrational and violent inner world of shame doubt guilt fear love and hate **The Social Psychology of Attraction and Romantic Relationships** Madeleine A. Fugère, Jennifer P. Leszczynski, Alita J. Cousins, 2017-09-16 Why are we attracted to some people and not to others Are first impressions accurate Why do some romantic relationships succeed while others fail Are our romantic choices influenced by evolution In tackling questions like these The Social

Psychology of Attraction and Romantic Relationships reviews the theory and research behind this fascinating area. It combines real life anecdotes and popular media examples with the latest psychological studies making it a lively and engaging read. Ideal for students of social psychology and intimate relationships courses, this is a comprehensive introduction to an everyday subject that on closer investigation proves to be a dynamic, intriguing, and sometimes surprising area.

**Intimate Relationships** Mavis Klein, 2013-09-07 If human life, as the author argues, is a constant and desperate bid to compensate for our mortality, then the desire to love and to be loved is our greatest imagined panacea against the fact of our death. In modern Western society, our problems have changed now with our stomachs full, our need to feel we are struggling to survive has become increasingly focussed on a growing dissatisfaction and insecurity in our personal relationships. Drawing on her 35 years' experience as an individual and group psychotherapist, Mavis Klein here elaborates her original theory of five basic personality types, ten compound types, and fifteen ways in which the basic types interact with each other in our relationships to others. She clearly elucidates the behaviours that disguise our often self-induced pains and how these pains can be transmuted into our greatest talents and joy. This book addresses the reality of the world we are so often unwilling to accept: the irrational and violent world of shame, doubt, guilt, fear, love, and hate.

**Satisfaction in Close Relationships** Robert J. Sternberg, Mahzad Hojjat, 1997-06-27 With the premise that close relationships are subjected to extraordinary scrutiny in contemporary society, the authors go on to say that this generation values individual fulfilment more than any before us. We are able to leave existing relationships with relative ease, demand a high level of satisfaction from our intimate relationships, and are frustrated at those times when we fail to achieve it. This volume presents a range of theoretical and clinical approaches to understanding and promoting relationship satisfaction. Integrating findings from social, clinical, and counselling psychology, researchers illuminate what it means to be satisfied within a love relationship and identify the factors that allow couples to create successful relationships over time.

**The Dance of Intimacy** Harriet Goldhor Lerner, 1989 This guide outlines the steps women as well as men can take to strengthen good relationships and heal difficult ones. It is also available on two 90 minute audio cassettes from HarperAudio.

### **Our Intimate Relationships Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Our Intimate Relationships has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Our Intimate Relationships has opened up a world of possibilities. Downloading Our Intimate Relationships provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Our Intimate Relationships has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Our Intimate Relationships. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Our Intimate Relationships. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Our Intimate Relationships, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Our Intimate Relationships has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

## **FAQs About Our Intimate Relationships Books**

1. Where can I buy Our Intimate Relationships books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Our Intimate Relationships book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Our Intimate Relationships books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Our Intimate Relationships audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
