## **Our Changing White House:**

**The White House** Patrick Phillips-Schrock,2015-03-21 Formerly known as the President s House then the Executive Mansion and now for a long time the White House this famous structure has a fascinating architectural history of ongoing change The white painted facade of James Hoban s original structure has been added to and strengthened for more than 200 years and its interior is a repository of some of America s greatest treasures Artists such as Benjamin Latrobe Pierre Antoine Bellange the Herter Brothers Louis Tiffany Charles McKim Lorenzo Winslow Stephane Boudin Edward Vason Jones and a host of others fashioned interiors that welcomed and inspired visitors both foreign and domestic This meticulous history featuring more than 325 photographs diagrams and other illustrations captures each stage of the White House s architectural and decorative evolution     **The Nixon White House Redecoration and Acquisition Program** Patrick

Phillips-Schrock,2016-06-21 A positive legacy of the troubled Nixon administration and one virtually unknown to the American public is the extensive acquisition of valuable art and antiques for the White House and the redecoration of the executive mansion by Pat Nixon With the help of an aggressive curator Clement Conger and a talented interior designer Edward Vason Jones the First Lady quietly erased much of the historic decor of Jacqueline Kennedy s Camelot and introduced an academic look to the State Rooms which endures to this day Nixon marked his presidential territory with a complete renovation of the West Wing a harbinger of the First Lady s plans They implemented a massive fundraising campaign to bankroll the refurbishment which resulted in one of the foremost collections of art art objects furniture paintings and sculpture in America This book presents the never before told story of the Nixons remodeling of the White House motivated by the approaching American Bicentennial and a desire to restore respect to the presidency through the arts     **Our Changing White House** Wendell D. Garrett,1995 This illustrated collection of essays focuses on the White

House s architecture gardens furnishings and staff From publisher description     **The House That George Built** Suzanne Slade,2015-12-01 THE HOUSE THAT GEORGE BUILT takes readers through the process of how the president s house came to be starting with the contest George held to choose the perfect design for this legendary landmark all the way to President John Adams s move into the grandiose home Cleverly written in the familiar format of The House That Jack Built author Suzanne Slade supplements her rhyming verse with lively conversational prose describing how George was involved in this project from beginning to end from selecting the location to figuring out how to get the thousands of heavy bricks to the construction site Rebecca Bond s watercolor illustrations help readers follow the steps to what became the White House as we know it today     **Global Ocean Science** National Research Council,Commission on Geosciences, Environment, and

Resources,Ocean Studies Board,1999-02-05 During recent years large scale investigations into global climate change and other highly visible issues have taken the lion s share of declining research funds At the same time funding for basic research in such core disciplines as physical oceanography biological oceanography chemical oceanography and marine geology has

dwindled Global Ocean Science examines how the largest U S ocean research programs such as the Ocean Drilling Program ODP and the Joint Global Ocean Flux Study JGOFS have significantly contributed to our understanding of the oceans The book examines the impact of these programs on research education and collegiality within this diverse scientific community and offers recommendations to help ensure a vital future for ocean science including Specific results of the programs such as data collected conceptual breakthroughs information published demonstrable use of program products incorporation of new knowledge into education and contribution to policymaking and decisionmaking by federal agencies Mechanisms for efficiently identifying knowledge gaps and research questions strategic planning of research programs managing competitive proposals securing needed resources and more This practical book will be welcomed by ocean investigators users of oceanographic research findings policymakers administrators educators and students **the white house an historic guide** ,1962 The Ladies of the White House Laura Carter Holloway,1886 Bride of the White House is an account of the marriage of President Cleveland and Miss Frances Folsom *The White House* ,2001 A color illustrated tour of the White House that describes each major room and hall s decor and history and presents an overview of the building s changes over two centuries **The Delineator** R. S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1926 The Outlook ,1925 **The Journals of Lady Knightley of Fawsley, 1856-1884** baroness Louisa Mary Knightley,1915 Shadow on the White House David L. Anderson,1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietnam communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon com *Defense Planning for the 1990s and the Changing International Environment* William A.
