## **Our Dogs Together Forever:**

**Our Dogs Together Forever** Les Birtchet, 2006-01-30 A naval officer from South Carolina accepts a training assignment in Idaho only to be surprised by his wife's sudden desire for a dog. Soon joining the household are Sheena and Rambo, a pure bred Lhasa Apso and her genetically defective half brother. Each puppy has an abundance of but markedly different personality. Over the next 13 years the little dogs become part of the family's life and a constant source of delight. As Sheena and Rambo mature their health declines but the bond between humans and canines continues to grow even as the family must face a tortuous decision to end their physical suffering.

**Together Forever** Clark Selby, 2005-10-12 Chance Clark had two great passions in life. Ann, who he met when they were fourteen years old, and a product or an industry he found himself in at nineteen, an industry most people in the world never knew existed or even gave a thought to. The parking meter business. Together Forever tells the story of Chance's two great passions and the winding twisting road of the love between a small town Kansas boy and girl from the humblest beginning to the top of the parking meter business. Chance and Ann's love story covers more than five decades, raising two only children, family illness and loss of loved ones, tangled lawsuits and exciting adventures in business and travel. Together Forever is a unique American love story with its beginning in the 1950s with all of the ups and downs families endure with but one thought in Chance and Ann's hearts and minds: that their love will last regardless of the challenges life brings and that they will be Together Forever.

**No Regrets, My Love** Margaret Cowie, 2009-11-20 Surviving inconceivable loss of someone you love with no regrets. This is a captivating memoir of a life of two souls put together by the Universe. They experience abundant happiness, struggles and darkness and create an extraordinary life because of the lessons they learned along the way. Then suddenly the unthinkable happens. A fatal accident occurs. See how a woman copes and recovers from her worst tragedy. On a day like any other she receives news that the love of her life was killed. From the heart she openly tells her story of what it was like to live through grief and despair. She reflects on the magic, laughter, addiction, turmoil, courage and wrong turns during her marriage. Ultimately she found incredible happiness with her husband, her best friend. She touches on traditional and non traditional approaches to healing and why she needed them. This incredible journey with love, loss and grief has redefined her. With this transformation she hopes to share her experiences and help others heal from their own tragedies.
