Our Flowers & Nice Bones Christopher Middleton, 1969 **The New One** Mike Birbiglia, 2020-06-16 With laugh out loud funny parenting observations the New York Times bestselling author and award winning comedian delivers a book that is perfect for anyone who has ever raised a child been a child or refuses to stop acting like one In 2016 comedian Mike Birbiglia and poet Jennifer Hope Stein took their fourteen month old daughter Oona to the Nantucket Film Festival When the festival director picked them up at the airport she asked Mike if he would perform at the storytelling night She said The theme of the stories is jealousy Jen quipped You re jealous of Oona You should talk about that And so Mike began sharing some of his darkest and funniest thoughts about the decision to have a child Jen and Mike revealed to each other their sides of what had gone down during Jen s pregnancy and that first year with their child Over the next couple years these stories evolved into a Broadway show and the more Mike performed it the more he heard how it resonated not just with parents but also people who resist all kinds of change So he pored over his journals dug deeper and created this book The New One Painfully True Stories From a Reluctant Dad Along with hilarious and poignant stories he has never shared before these pages are sprinkled with poetry Jen wrote as she navigated the same rocky shores of new parenthood So here it is This book is an experiment sort of like a family

Poetry and Displacement Stan Smith, 2007-01-01 The last hundred years have been an era of unprecedented displacements the accelerated drift of rural populations to the metropolis the spread of these cities into successive empires and the resulting diasporas that have forged the modern United States and any number of smaller nations These processes have fostered a poetry of exile and expatriation intimately bound up with the experience and culture of modernity Poetry and Displacement is a thought provoking and challenging examination of globalized displacement in the work of some of our most critically acclaimed poets including Christopher Middleton Philip Larkin and Derek Walcott
