Unified Jewish Religious Education Curriculum: Kindergarten-8th grade, 1983 [Making the Bible Modern](#) Penny Schine Gold, 2018-10-18 The Bible has played a critical role in the story of Judaism modernity and identity Penny Schine Gold examines the arena of children's education and the role of the Bible in the reshaping of Jewish identity especially in the United States in the 1920s and 1930s when a second generation of Eastern European Jews engaged the task of Americanizing Jewish culture religion and institutions Professional Jewish educators based in the Reform movement undertook a multifaceted agenda for the Bible in America to modernize it harmonize it with American values and move it to the center of the religious school curriculum Through public schooling the children of Jewish immigrants brought America home it was up to the adults to fashion a Judaism that their children could take back out into America Because of its historic role in the development of Judaism and its cultural significance in American life Gold finds the Bible provided Jews with vital links to both the past and the present The ancient sacred text of the Bible transformed into highly abridged and amended Bible tales was brought into service as a bridge between tradition and modernity Gold analyzes these American developments with reference to the intellectual history of eighteenth and nineteenth century Europe innovations in public schooling and social theory Protestant religious education and later versions of children's Bibles in the United States and Israel She shows that these seemingly simple children's books are complex markers of the pressing concerns of Jews in the modern world [Let Jesus Heal Your Hidden Wounds](#) Brad Long, Cindy Strickler, 2001-10-01 Most people get hurt and suffer painful memories as a result of living in an imperfect world But God's original plan for humanity included spiritual emotional

physical and relational wholeness Through the example of Jesus who heals from the inside out readers will learn how to experience this wholeness and assist in the healing of others Let Jesus Heal Your Hidden Wounds speaks to the individual who wants to be or already is involved in healing ministry This is not another technique for doing healing but a description of how the prayer minister cooperates with the Holy Spirit to bring healing and deliverance to people with hidden wounds Each chapter includes several questions for use in a Bible study setting or to provoke further personal reflection Those called to healing ministries will be taken to a new level of understanding and greater effectiveness from reading and studying this book And those with hidden wounds will find new hope for restoration and freedom **Outlook and Independent** ,1929
