Gender Matters Sarah M. Pitcher, 2016-12-31

Gender Matters Sarah M.

Pitcher, 2017-06-09 *Gender Matters Truth and Consequences* employs an intersectional feminist approach to introduce students to the various ways feminist thinkers discuss gender, sexuality, sex, and more. It encourages them to consider how these views may be manifested in their everyday surroundings, from the classroom to the coffee shop. The curated readings are organized into three sections addressing gender theory, play, and gender studies, and the unavoidable consequences of gender itself. Featuring the writing of Simone de Beauvoir, bell hooks, Gloria Anzaldua, and other seminal figures, the anthology tackles issues such as the patriarchal system, the meaning of being gendered, pornography, and the treatment of transgender and intersexed individuals. *Gender Matters* encourages readers to challenge the truth of gender-related definitions, the ways in which people play into these truths, and the consequences of passively accepting them. Reflection activities in each chapter create the opportunity for students to deeply consider how all of these issues and topics play out in their own lives. *Gender Matters* is ideal for classes in gender studies, sociology, and gender issues. Sarah M. Pitcher earned both her master's degree and her Ph.D. in sociology at Syracuse University in New York. A professor of sociology at City College in San Diego, Dr. Pitcher regularly teaches classes in introductory sociology, gender studies, social problems, sociological theory, and globalization and social change, with the understanding that sociology begins and ends with experience. Throughout her over 20 years of teaching, she has worked to make sociology not only fun and engaging for students but also a form of active critical thought about our social world. In addition to her work in the classroom, she is an honors program advisor as well as the advisor to the Visionary Feminists Club.

A Women's Lectionary for the Whole Church Year C Wilda C. Gafney, 2024-07-02

The final installment in the critically acclaimed lectionary series that focuses on women's stories. In this third volume of a three-volume lectionary, widely praised womanist bible scholar and priest Wilda Gafney selects scripture readings that emphasize women's stories. Focusing especially on the Gospel of Luke, Year C of *A Women's Lectionary* features Gafney's fresh, inclusive, and thought-provoking translations of every reading alongside commentary on each reading. Designed for liturgical use or scriptural study, this resource offers a new perspective on the Bible and the liturgical year. Gafney's paradigm-shifting scholarship will influence biblical preaching and teaching for generations to come.

National Catholic Reporter

A Women's

Lectionary for the Whole Church Year A Wilda C. Gafney, 2021-08-17 What would it look like if women built a lectionary focusing on women's stories? What does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news? How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching? The scriptures are androcentric male focused as is the lectionary that is dependent upon them. As a result many congregants know only the biblical men's stories told in the Sunday lectionary read in their churches. A more expansive, more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women's stories in the scriptures. A Women's Lectionary for the Whole Church when completed will be a three year lectionary accompanied by a stand alone single year lectionary Year W that covers all four gospels. Year A features the Gospel of Matthew with John interwoven as is the case in the Revised Common Lectionary RCL and Episcopal Lectionary.

Why Diversity, Equity, And Inclusion Matter: Challenges And Solutions

Bin Srinidhi, 2023-12-05 This book integrates the current research on diversity, equity and inclusion with corporate practice and describes how these initiatives affect organizations' morale, performance and output. Academic researchers, corporate executives tasked with implementing Diversity, Equity, and Inclusion (DEI) and regulators face the problem of balancing DEI initiatives which could generate diverse ideas beneficial to the organization with concerns about diluting meritocracy. Building a diverse workforce could improve both organizational well-being and social harmony. Research has shown that building a diverse workforce often results in communication and coordination issues and unjustified pay and performance gaps, engendering feelings of exclusion among diverse individuals. The book describes how organizations

address these issues in various settings ranging from accounting firms to health care providers It covers settings with gender and racial diversities and clarifies the difference between equality and equity Its coverage includes dealing with concealable disabilities and promoting equity across diverse populations in organizational and social settings *Preaching That Speaks to Women* Alice Mathews,2003-05 Invites preachers to consider how gender affects the way sermons are understood and calls them to preaching that relates to the entire congregation *Christian Clergy in American Politics* Sue E.
