Matthew Arnold C. Machann,1998-03-18 Matthew Arnold the foremost Victorian man of letters forged a unique literary career first as an important post Romantic poet and then as a prose writer who profoundly influenced the formation of modern literary and cultural studies Machann challenges the popular image of Arnold as an elitist intellectual and shows how his poetry and prose grew out of his personal life and his passionate engagement with the world emphasizing the journal publications that drove his career as a literary social and religious critic *Matthew Arnold* Clinton Machann,1998-03-15 Nearly everyone agrees that Arnold is a central figure in Victorian literature yet his place in literary history is difficult to define Tracing Arnold s literary development through his life helps us to understand the peculiar nature of his accomplishments Clinton Machann examines the evolution of Arnold s writings and casts new light on the forces that shaped the career of this extraordinary man of letters **Matthew Arnold, a Life** Park Honan,1981 A detailed biography of the Victorian poet literary and social critic and essayist **A Gift Imprisoned** Ian Hamilton,1999-02-17 Acclaimed biographer Ian Hamilton explores the life of poet and social prophet Matthew Arnold an impassioned lyric poet who became Victorian England s best known educational reformer and literary critic Selected Letters of Matthew Arnold Matthew Arnold,1993 Selected Letters of Matthew Arnold is a collection of 216 letters by the Victorian poet and critic Matthew Arnold 1822-88 The letters are arranged chronologically and grouped under four headings that represent stages in Arnold s adult life and career The Young Poet 1844-51 The Married Poet and Inspector of Schools 1851-57 The Professor of Poetry and Literary Critic 1857-67 and The Critic of Society and Religion 1867-88 In these letters Arnold who wrote no autobiography tells the story of his life and expresses his intimate views on a variety of subjects In order to include the largest possible selection of interesting letters from both previously published and unpublished sources some of the letters are given in part while others are given in their complete form Along with the most important letters from the 1895 edition by G W E Russell principally made up of letters to family members and the 1932 edition of letters to Author Hugh Clough by Howard F Lowry this new collection incorporates many significant letters from other sources including 49 previously unpublished letters Most of the Russell and Lowry letters have been newly edited using the manuscript collections at Yale University and Balliol College Oxford *Matthew Arnold* George Saintsbury,1899 *Twenty-First Century Perspectives on Victorian Literature* Laurence W. Mazzeno,2014-03-06 Victorian literature s fascination with the past its examination of social injustice and its struggle to deal with the dichotomy between scientific discoveries and religious faith continue to fascinate scholars and contemporary readers During the past hundred years traditional formalist and humanist criticism has been augmented by new critical approaches including feminism and gender studies psychological criticism cultural studies and others In *Twenty First Century Perspectives on Victorian Literature* twelve scholars offer new assessments of Victorian poetry novels and nonfiction Their essays examine several major authors and works and introduce discussions of many others that have received less

scholarly attention in the past General reviews of the current status of Victorian literature in the academic world are followed by essays on such writers as Charles Dickens Alfred Tennyson Thomas Hardy and the Bront sisters These are balanced by essays that focus on writing by women the development of the social problem novel and the continuity of Victorian writers with their Romantic forebears Most importantly the contributors to this volume approach Victorian literature from a decidedly contemporary scholarly angle and write for a wide audience of specialists and non specialists alike Their essays offer readers an idea of how critical commentary in recent years has influenced and in some cases changed radically our understanding of and approach to literary study in general and the Victorian period in particular Hence scholars teachers and students will find the volume a useful survey of contemporary commentary not just on Victorian literature but also on the period as a whole

The Letters of Matthew Arnold Matthew Arnold, 1996 The University Press of Virginia edition of The Letters of Matthew Arnold edited by Cecil Y Lang represents the most comprehensive and assiduously annotated collection of Arnold's correspondence available When complete in six volumes this edition will include close to four thousand letters nearly five times the number in G W E Russell's two volume compilation of 1895 The letters at once meaty and delightful appear with a consecutiveness rare in such editions and they contain a great deal of new information both personal sometimes intimate and professional Two new diaries are included a handful of letters to Matthew Arnold and many of his own that will appear in their entirety here for the first time Renowned as a poet and critic Arnold will be celebrated now as a letter writer Nowhere else is Arnold's appreciation of life and literature so extravagantly evident as in his correspondence His letters amplify the dark vision of his own verse as well as the moral background of his criticism As Cecil Lang writes the letters may well be the finest portrait of an age and of a person representing the main movements of mind and of events of nearly half a century and at the same time revealing the intimate life of the participant observer in any collection of letters in the nineteenth century possibly in existence Volume 1 begins with an account of the Arnold children by their father headmaster of Rugby School The letters show Arnold as a precocious schoolboy doted on and remonstrated by his extended family as a foppish Oxonian as a young man enjoying the pleasures of Paris and working at a perfect and undemanding job then as a new husband in an imperfect too demanding job as Professor of Poetry at Oxford and finally as an emergent European critic As Cecil Lang writes in his engaging and spacious introduction Arnold learned to live with a boring demanding underpaid unrewarding occupation largely because questing intellectual husband and father school inspector clubbable man about town and cosmopolite about Europe and America hunter fisherman skater voracious reader he lived to learn
