Keener,1999 This excellent commentary on Matthew offers a unique interpretive approach that focuses on the socio historical context of the Gospel and the nature of Matthew s exhortation to his first century Christian audience By merging a careful study of Matthew s Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first century Jewish Christian relations Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary In addition Keener s commentary is a useful discipleship manual for the church His unique approach recaptures the full shock effect of Jesus teachings in their original context and allows Matthew to make his point with greater narrative artistry Keener also brings home the total impact of Matthew s message including its clear portrait of Jesus and its call for discipleship both to the Gospel s ancient readers and to believers today *Matthew* Jack Dean Kingsbury,1986 **Matthew** David L. Blomberg,1992-05-21 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **A Theology of Matthew's Gospel** Michael J. Wilkins,2025-10-07 A Theology of Matthew s Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon

develops Matthew's theological perspective for his audience's. Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present, and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in a part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

The Gospel of Matthew Donald Senior, 1997. Biblical texts create worlds of meaning and invite readers to enter them. When readers enter such textual worlds which are often strange and complex, they are confronted with theological claims. With this in mind, the purpose of the Interpreting Biblical Texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds. The controlling perspective is expressed in the operative word of the title: interpreting. The primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen, as on the worlds created by the texts in their engagement with readers. In this volume, Donald Senior provides an up-to-date introduction to the Gospel of Matthew. The seven chapters of Part One focus on modern biblical scholarship and the interpretation of Matthew, discussing the sources and structure of the Gospel, its use of the Old Testament, its understanding of Jewish Law, its setting as a part of the mission of Christianity to the Gentiles, its Christology, its understanding of the nature of discipleship, and the community from which the Gospel originated. The six chapters of Part Two provide a structured guide to reading and interpreting Matthew's Gospel. Matthew John P. Meier, 1980. John Meier is widely recognized as an authority, and one welcomes his commentary. Meier's book is especially rich in showing how Matthew reinterprets the Gospel in the context of his own church and its problems in America. **Matthew 1-16** Stephen D. Eyre, Jacalyn Eyre, 2012-09-28. What would it be like to be discipled by Jesus himself? What would he teach you about relationships, priorities, wealth, and his coming kingdom? What would you learn from his actions? Matthew's Gospel brings you face-to-face with Jesus as he calls, teaches, and prepares his disciples. As you work through these eleven sessions, LifeGuide

Allison, Jr., 1988-01-01 This volume which completes the internationally acclaimed three volume commentary on St Matthew's Gospel includes a verse by verse and section by section commentary in which all linguistic historical and theological issues are discussed in detail A complete index to all three volumes is included      **The Gospel of Matthew** Matt Woodley, 2011-09-13 In this second book in the Resonate series Matt Woodley takes you on a journey through the Gospel of Matthew considering the audacious idea of a God with us confronting us in the midst of all we've invested ourselves in and dedicated ourselves to and encouraging us with the promise that the God who made us has a better life in mind for us

Matthew: The Gospel of Identity Michael Card, 2013-03-07 In this third volume of the Biblical Imagination Series Michael Card leads us to see the unique purpose of Matthew's Gospel both in the lives of the early Christians and for us today Using the language of fulfillment Matthew calls his readers to see their former identity confirmed even as it is recast in the dazzling image of Christ      *Matthew* Ronald D. Witherup, 2000 The purpose of this commentary is to offer a section by section interpretation of Matthew's Gospel in non technical language to help the reader use this Gospel for personal spiritual enrichment The perspective is ecumenical and the scope will include essential insights from the literary historical and theological perspectives on the Gospel From Preface      **The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel** Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord's Prayer in Matthew's Gospel focusing on the prayer's centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord's Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus Whilst the centrality of the Lord's Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality      **The Theme of Recompense in Matthew's Gospel** Blaine Charette, 2015-01-29 Matthew's theology of the Spirit has received scant scholarly attention a regrettable oversight since the evangelist is careful to note that the eschatological redemption described in his Gospel is the direct result of the activity of God's Spirit Matthew's narrative of God's restoring work which begins with Jesus and continues through his followers is informed by even as it extends the larger biblical narrative concerning God's creative redemptive and restorative work at the centre of which stands his Spirit his active presence As the study elaborates upon the broad sweep of Matthew's interest in the Spirit the operation of the

Spirit is examined in relation to the three theological categories of christology soteriology and ecclesiology
