The authors have created 110 different concepts with complete instructions and illustrations. Following the school year, the bulletin boards can be used as springboards to promote discussion and as reminders of the central message in a particular lesson. The authors have also outlined ideas for classroom activities, suggestions for appropriate books, field trip ideas, party plans, cooperative learning activities, and Web sites. Faith lessons are generously sprinkled throughout. A section called Bible Heroes from A to Z provides brief retellings of heroic deeds that bring Bible heroes to life. Even students who know their Bible well will enjoy these 5-minute short stories. The Bible has been a teaching tool since it was written, and *Good News Thematic Bulletin Boards for Christian Classrooms* makes it easy!    **The Academy**
