## Other Me:

**The Other Me** Saskia Sarginson, 2016-01-12 Originally published Great Britain Piatkus 2015      The Other Me Sarah Zachrich Jeng, 2022-08-02 Who hasn't wondered what alternate versions of their lives might look like As relatable as it is suspenseful cleverly exploring adulthood identity and shifting realities Margarita Montimore USA Today bestselling author of Oona Out of Order An inventive page turner about the choices we make and the ones made for us One minute Kelly's a free spirited artist in Chicago going to her best friend's art show The next she opens a door and mysteriously emerges in her Michigan hometown Suddenly her life is unrecognizable She's got twelve years of the wrong memories in her head and she's married to Eric a man she barely knew in high school Racing to get back to her old life Kelly's search leads only to more questions In this life she loves Eric and wants to trust him but everything she discovers about him including a connection to a mysterious tech startup tells her she shouldn't And strange things keep happening The tattoos she had when she was an artist briefly reappear on her skin she remembers fights with Eric that he says never happened and her relationships with loved ones both new and familiar seem to change without warning But the closer Kelly gets to putting the pieces together the more her reality seems to shift And if she can't figure out what happened on that fateful night the next change could cost her everything

**Saving the Subject** Cameron M. Fathauer JD, 2024-08-27 In his debut book Saving the Subject Cameron Fathauer paints a spiritual odyssey following his traumatic brain injury with vividness and vulnerability capturing both the weight of his physical trials and the depth of his reflections Previously aspiring to be a minister Fathauer's path was radically altered when he was hit by a car as a pedestrian steering him to the legal profession and reshaping his identity journey Beyond the author himself the narrative features an unexpected array of characters including triplet toddlers legal scholars and the infamous Unabomber More than a memoir this remarkably layered work engages the identity question through a smorgasbord of distinct but ingeniously connected themes of trauma family and faith To discover how these elements weave together you'll have to explore the pages yourself Fathauer has taken a leap of faith by publishing a book that quite literally puts his darkest moments on public display Yet he does so with the confidence that this open book vulnerability will illuminate a deeply personal and transformative light for his readers as it has for himself

**The Series That Just Plain Sucks: The Complete Trilogy** Charissa Dufour, SUCKED IN Struggling vampire romance novelist Ashley Hawn was living her dream By day she worked as a clerk at a local grocery store and by night she immersed herself in the imaginary world of sexy vampires shirtless men and endless parties Between work her writing and her best friends Chloe and Jordan life was good She was even dating a mysterious and sexy man or so she thought by the name of Isaac Then in a flash her whole world changed and she discovered herself turned Quickly she finds that life as a vampire is less sexy shirtless men endless parties and is more running for her life as she tries to dodge the attacks of every mythological creature in the area SUCKED AWAY Barely surviving the resurrection of the warlock Sedgrave Ashley has healed in body if not in mind As she slowly tries to

piece together her mind sorting past from present and friend from foe the time of her joining a ritual designed to bind her to her seethe comes upon her Before the ritual can be completed in full it is interrupted by a ragged pack of werewolves seeking asylum and protection Meanwhile a storm is brewing in the mystical world with Ashley at its center and before she knows it her calm existence is once more Sucked Away THAT SUCKED Ashley Hawn s vampire existence has been anything but calm Turned for the sole purpose of raising a long dead warlock from the grave Ashley has spent her new life fighting against those who would use her Now the warlock is back and Ashley finds herself connected to him in every way possible She must work alongside her friends to stop him from enslaving the entire human population Meanwhile the men in her life continue to show her romantic inclinations As Ashley works to break the connection between her and the warlock she ducks and dodges the attention of her male friends doing her best to ward them off without ending the friendship Will Ashley kill Sedgrave and will she have any friends left when it is all over
