

Otto Dix

Otto Dix

A horizontal light blue bar with a rounded right end, followed by a red circular glow.

Otto Dix:

Otto Dix, 1891-1969 Eva Karcher, 2002 Om den tyske maler Otto Dix 1891 1969 *Otto Dix* Otto Dix, **Otto Dix, 1891-1969** Otto Dix, Tate Gallery, 1992 Accompanied exhibition held at the Tate Gallery 11 3 17 5 1992 *Otto Dix, Life and Work* Fritz Löffler, 1982 *Otto Dix* Eva Karcher, 1987 **Otto Dix** Parkstone Press, 2000-03-01 *Otto Dix* Philipp Gutbrod, 2010 Few painters are as strongly linked to the historical events and political catastrophes of twentieth century Germany as Otto Dix 1891 1969 Born to a working class family at the turn of the twentieth century he hurled himself into the art world of the prewar era and fought and drew on the front during World War I after 1918 he gave that war perhaps the most honest face bestowed on it by an artist During the Weimar Republic Dix emerged as an enfant terrible a dandy and an urban sophisticate but he was also a respected professor and pedagogue until he was driven from his position by the Nazis a few months after they came to power Ostracized and threatened under the Nazi regime Dix retreated to Lake Constance where he began painting in the broader brushstrokes that characterize his final phase Published in Hatje Cantz's new Art to Read series Philipp Gutbrod's expertly written biography examines an eventful life and a multifaceted oeuvre **Otto Dix** Otto Dix, Montreal Museum of Fine Arts, 2010 The celebrated German artist Otto Dix a volunteer for the German Army during World War I went on to create some of the most powerful anti war images of the modern age This book presents the work of the controversial artist **Bitter Witness** Linda F. McGreevy, 2001 Bitter Witness is an intensive factual study of Otto Dix's war related art It is the first book to place Dix's etching cycle *Der Krieg* alongside numerous paintings and drawings in the perspective of his war experience on two fronts from mid 1915 to 1918's finale It includes a full history of the war the Weimar Republic's socio political upheavals and the Nazi years following Dix and his colleagues including Käthe Kollwitz through the artistic movements and events in the first half of Germany's most turbulent century **The Life and Works of Otto Dix** Linda F. McGreevy, 1981 **Otto Dix and the Memorialization of World War I in German Visual Culture, 1914-1936** Ann Murray, 2023-11-02 The harsh realities of wartime and Weimar era Germany called for a new kind of art Dada followed by Neue Sachlichkeit New Objectivity confronted social and political issues in new and bold ways This book highlights how Otto Dix 1891 1969 one of the leading artists connected to these artistic movements employed these new approaches to reveal the injustices of wartime and post World War I Germany Having spent 38 months on the frontline his pictures revealed the brutalities of the conflict and helped establish him as one of Europe's leading modernists Offering substantial new research and presenting numerous primary sources to an English readership for the first time the book examines Dix's war pictures within the broader visual culture of war in order to assess how they functioned alternatively as cutting edge modernist art and transgressive war commemoration Each chapter provides a case study of the first public display of one or more of Dix's war pictures at key exhibitions and explores how their reception was subjected to changing socio political and cultural conditions as well as divergent attitudes to the lost war It pulls together a number of key

approaches and texts contemporary reviews contemporary cultural productions such as novels and cartoons and theoretical and historical approaches from history memory studies and art history Bringing a unique perspective and original scholarship to Dix's war works this book is essential reading for art historians of World War I and the visual culture of Weimar Germany *Otto Dix* Otto Dix, 2010 *Otto Dix and Weimar Media Culture* Anne Reimers, 2021 Otto Dix 1891-1969 was a leading figure of the Neue Sachlichkeit or New Objectivity movement in painting in 1920s Germany This groundbreaking study analyses for the first time the relationship between Dix's verist realist portrait paintings and the rapidly expanding mass media culture of the Weimar era that surrounded it The book focuses on a small number of portrait paintings created in the first half of the 1920s to explore four specific aspects the way Dix engaged with fashion and celebrity culture how he responded to the challenge posed by photography and film how he dealt with a situation where black and white reproductions were the most common way in which a diverse audience encountered his work and the way in which Dix's career development ran in parallel with the commentary on his work in journalistic and specialist media publications Temporality medium specificity and reproduction are identified as concerns that drove the artist's aesthetic responses to a historically specific environment The book draws upon archival material letters and interviews by the artist and a broad variety of contemporary publications by art critics and art historians to reveal new information about key paintings such as his *Portrait of the Dancer Anita Berber* 1925 **Otto Dix** Otto Dix, Galerie der Stadt Stuttgart, 1989 *Otto Dix, 1891-1969* Eva Karcher, 2010 In the 1920s Otto Dix was the artist of Neue Sachlichkeit the New Objectivity par excellence Painting in a very realistic almost photographic style he chose as subjects the poverty violence death and war that he experienced as a soldier in World War I He staged the world as a play a grotesque farce based on the classical canon of beauty **Otto Dix**, 1959 *Otto Dix, 1891-1969* Eva Karcher, Otto Dix, 1988 *Otto Dix and the First World War* Michael Mackenzie, 2019-02-25 Otto Dix fought in the First World War for the better part of four years before becoming one of the most important artists of the Weimar era Marked by the experience he made monumental difficult and powerful works about it Whereas Dix has often been presented as a lone voice of reason and opposition in Germany between the wars this book locates his work squarely in the mainstream of Weimar society Informed by recent studies of collective remembrance of camaraderie and of the popular working class socialist groups that commemorated the war this book takes Dix's very public monumental works out of the isolation of the artist's studio and returns them to a context of public memorials mass media depictions and the communal search for meaning in the war The author argues that Dix sought to establish a community of veterans through depictions of the war experience that used the soldier's humorous grotesque language of the trenches and that deliberately excluded women and other non-combatants His depictions were preoccupied with heteronormativity in the context of intimate touch and tenderness between soldiers at the front and with sexual potency in the face of debilitating wounds suffered by others in the war **Otto Dix**, 1959 **Otto Dix** Susanne Meyer-Buser, 2017-02-16 Otto Dix's career

was transformed during the three years he spent in Dusseldorf from 1922-1925. Working in an environment decimated by World War I and amidst the turmoil that led to Hitler's rise in Germany, Dix portrayed the underworld of prostitution and tawdry nightlife that flourished during the Weimar Republic. This book also features portraits Dix created of the influential personalities he befriended. Filled with captivating paintings and vibrant watercolors, this book also contains works from Dix's massive series of etchings, *The War*. This opus is characterized by gruesome realistic depictions of the battlefield. Featuring more than 230 paintings, watercolors, etchings, and archival materials, this collection of work from one of Germany's most important artists captures a critical period of creative and personal change that serves as a bridge between Dix's abstractionist roots and the objectivism that he ultimately embraced.

Exhibition: Kunstsammlung Nordrhein-Westfalen
Dusseldorf, Germany, 11.02.14-03.10.17
Tate Liverpool, United Kingdom, 23.06.15-10.10.17

This is likewise one of the factors by obtaining the soft documents of this **Otto Dix** by online. You might not require more epoch to spend to go to the book initiation as without difficulty as search for them. In some cases, you likewise accomplish not discover the revelation Otto Dix that you are looking for. It will extremely squander the time.

However below, subsequent to you visit this web page, it will be so entirely easy to get as skillfully as download lead Otto Dix

It will not resign yourself to many times as we tell before. You can accomplish it while play a role something else at home and even in your workplace. for that reason easy! So, are you question? Just exercise just what we provide below as without difficulty as review **Otto Dix** what you later than to read!
