## **Our Mountain:**

*Speak to Your Mountain* John Robertson, 2013-08-30 Jesus said Whosoever shall say unto this mountain be thou removed Mark 11 23 He was preparing us for the times when we would have to take direct authority in the spiritual realm to impact things in the natural realm The two main factors to remember are His authority and the spoken word By this passage we already have access through His words as long as we appropriate His name when we speak to our mountain As a metaphor a mountain can be anything from financial issues to health issues rebellious children or any seemingly insurmountable thing that blocks our path Speak Gods Word to your mountain and watch its removal **They Got Daddy** Sharon

Tubbs, 2023-01-03 An unforgettable journey through racism and faith across the generations January 15 1959 a day that changed one family forever White supremacists kidnapped and severely beat rural Alabama preacher Israel Page nearly killing him because he had sued a White sheriff s deputy for injuries suffered in a car crash After they got Daddy Israel Page s children began leaving the Jim Crow South the event leaving an indelible mark on the family and its future Decades later the events of that day fueled journalist Sharon Tubbs s epic quest to learn who had gotten her mother s daddy and why They Got Daddy follows Tubbs on her moving journey from Fort Wayne Indiana to the back roads and rural churches of Alabama A powerful revelation of the sustaining and redemptive power of faith and unflinching testimony to the deeply embedded effects of racism across the generations it demonstrates how the search for the truth can offer a chance at true healing

*Management Accounting and Control* Michel Charifzadeh, Andreas Taschner, 2017-10-30 Management accounting has been the basic toolbox in business administration for decades Today it is an integral part of all curricula in business education and no student can afford not to be familiar with its basic concepts and instruments At the same time business in general and management accounting in particular is becoming more and more international English clearly has evolved as the lingua franca of international business Academics students as well as practitioners exchange their views and ideas discuss concepts and communicate with each other in English This is certainly also true for management accounting and control Management Accounting is becoming more and more international Management Accounting and Control is a new textbook in English covering concepts and instruments of management accounting at an introductory level primarily at the Bachelor level but also suited for general management and MBA courses due to a strong focus on practical relevance This textbook covers all topics that are relevant in management accounting in business organizations that are typically covered in German and Central European Bachelor courses on management accounting and control After a general introduction to the field of management accounting and control the book discusses cost management as an extension of cost accounting Typical cost management instruments such as target costing life cycle costing and process based costing approaches are explained in detail Differences between Anglo American activity based costing ABC and German process based costing are highlighted The book then turns to an extensive discussion of planning and budgeting tasks in management accounting with a strong

focus on the practical application of the topic such as developing a budget in practice Another chapter is dedicated to a comparison of traditional budgeting with modern alternative budgeting approaches A major part of the book is dedicated to the broad area of performance management The relevance of financial statement information for performance management purposes is discussed in detail In addition the most widely spread financial performance indicators are illustrated using real world examples The book also includes detailed content on value based management control concepts In a consecutive chapter performance measurement is linked with strategy while extensively discussing the Balanced Scorecard as a key tool in strategic performance management The remaining parts of the book deal with management reporting as one of the main operative tasks in management accounting practice The book closes with insight into new fields and developments that currently influence management accounting practices and research and promise to play an increasingly important role in the future

*Time In The Garden* Dan And Brenda J. Robinson,Labron And Brooke Cason,2010 Time in the Garden is a 365 day family devotional The devotionals involve the entire family The journal section of this devotional is intended to draw the family together and into a more intimate relationship with God The unique design of this devotional will allow the family to become co author as they journal what they gleaned from its contents It is a tool of righteousness that can leave a legacy for generations to come Our prayer is that this book will help you in your Christian walk as you journey through this life
