## 5 Edition Travel Guide:

**Basic Library Skills, 5th ed.** Carolyn Wolf, 2010-03-22 This brand new edition of Wolf's acclaimed work provides a self-contained short course in essential library skills for patrons of college, high school and public libraries. The intent is to provide a quick and easy way to learn to do library research. The exercises contained herein give students hands on experience by applying rules stated in the text to situations that approach real research problems. Subjects addressed include a brief tour of the library card catalogs and cataloging systems, filing rules, online public access catalogs, subject searching, bibliographies, book reviews and parts of a book, dictionaries, encyclopedias, handbooks, atlases, gazetteers, periodicals, newspapers, online database searching and reference sources, literature and criticism, e-books, government information and government documents, biographies, business, career and consumer information, non-print materials and special services, online computer use in libraries and schools, and hints for writing term papers. Instructors considering this book for use in a course may request an examination copy here.
