Me First Look Looks:

Detour Michael Brodsky, *Detour* charts the struggle of a film crazed young man to shape his identity it is also about his resistance to doing so at every turn Owning an identity can mean being straitjacketed condemned to a living death language becomes both an escape from the straitjacket and its evilest genius *Detour* is also a story of first love as it concerns the intense transient sexual relationship between the young man who is very reluctant about to enter medical school in the Midwest and a rootless former heroin addict named Anne The hero of *Detour* experiences movies the way Don Quixote responds to the romances of chivalry as being infinitely more real than anything else in the world Hence the connections relentlessly made between his own often Bresson Welles Fellini Oph Is Sternberg Sirk Karlson and Godard Camera movements cuts dissolves tension between sound and image these torment fascinate liberate and exalt because they seem to lie just beyond the vampire clutch of words thoughts analysis It is within such contexts that one begins to understand the detours social psychological familial erotic existential that frustrate and enrich the protagonist's quest for love for connectedness for the satisfactions of a calling As well as the artistic detours that are crucial to depicting his complex lacerated maturation It is by means of a technique that has truly absorbed the formal lessons of the novel and through an extraordinary command of language and of the many different languages inside language colloquial technical abstract that Brodsky makes this account of the growth of the self so unnervingly new and unpredictable In sentence after sentence he manages to discharge the shock of the unknown the unspeakable the never before said *Detour* is a vastly expanded version of the novel that received the Ernest Hemingway Foundation Citation of the PEN American Center in 1979
