What Men Don't Tell Women About Business Christopher V. Flett, 2010-12-16 Discover the deep dark secrets of the Alpha businessman As a woman you know you re every bit as effective and capable as a man is in the arena of business but that doesn t mean there aren t things you need to know about men and business In this invaluable guide for the modern businesswoman former Alpha Male Christopher Flett reveals everything you need to know to understand communicate and compete with men in business To some extent business is still a man s world here s how to play the game by their rules and win Know what the average Alpha Male is thinking Learn 10 things you need to know about men in business Force men to take you seriously Stop self sabotage with male colleagues Get all the credit you deserve Be more confident and effective Learn to take charge and lead Never make excuses for failures Keep secrets it s vital Never bring personal issues to the office Gain credibility and trust with Alphas Never look for affirmation openly Effectively deal with condescending or disrespectful men Understand why being nice gets you nowhere

Black Men Can't Shoot Scott N. Brooks, 2009-08-01 The myth of the natural black athlete is widespread though it s usually talked about only when a sports commentator or celebrity embarrasses himself by bringing it up in public Those gaffes are swiftly decried as racist but apart from their link to the long history of ugly racial stereotypes about black people especially men they are also harmful because they obscure very real hard fought accomplishments As *Black Men Can t Shoot* demonstrates such successes on the basketball court don t happen just because of natural gifts instead they grow out of the long tough and unpredictable process of becoming a known player Scott Norman Brooks spent four years coaching summer league basketball in Philadelphia And what he saw heard and felt working with the young black men on his team tells us much about how some kids are able to make the extraordinary journey from the ghetto to the NCAA He tells the story of two young men Jermaine and Ray following them through their high school years and chronicling their breakthroughs and frustrations on the court as well as their troubles at home *Black Men Can t Shoot* is a moving coming of age story that counters the belief that basketball only exploits kids and lures them into following empty dreams and shows us that by playing ball some of these young black men have already begun their education even before they get to college
