Meadow Pies and Poetry Donald W. Holmes, 2006-01-01 When speaking of poetry it is unfortunate that it has evolved into a vague imagery and style which has little to do with the real world lives of ordinary people It is the sweetest of writing and my efforts are always to express myself with clarity and understanding to any reader I would like to say that poetry is not always or should not always be about love hate loss broken hearts and the long litany of subject matter with which it is usually associated Poetry can and should be fun as well It takes so little to trigger the writing of a poem Laughter poking fun at and with each other in general there is a lighter side to poetry Many of the writings in the book are fun but there is also a more serious and darker side revealed as well Donald W Holmes **Galaxy Pizza and Meteor Pie (And Other School Poems that are Out of This World!)** Darren Sardelli, 2009-10-01 In Galaxy Pizza and Meteor Pie you ll find popular poems such as My Doggy Ate My Essay Recess Oh Recess The Silliest Teacher in School and Parent Teacher Conference This book is packed with alliteration personification and not so obvious life lessons that make learning fun It s a great way to get students excited about poetry Select poetry for young students, ed. by T.W.
