**Mutterings of a Meandering Mind** Casul Geldinkle,2012-02-19 Ever think outside the box Are your own cultural alternatives not to your liking Believe in something more Wander a short path with me and expand your thinking Be creative with life and everything it has to offer Ultimately life is full of options even when you think it is near the end Never let anyone dictate to you what it is you should believe Imagine for yourself Have faith in those imaginations Build faith towards belief Before you know it your belief will manifest Really though what have you got to lose Sit back relax and chill while you listen to the mutterings of a meandering mind Then develop your own mutterings *Meanderings of a Mind* B.
