Meaning And Truth In 2 Corinthians:

Meaning and Truth in Second Corinthians Frances M. Young, David F. Ford, 2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the light of all that has gone before

Meaning and Truth in 2 Corinthians Frances Margaret Young, David Ford, 2017 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the light of all that has gone before

Meaning and truth in 2 Corinthians Francesford Young (David F.), 1987 **Searching the Scriptures: A feminist commentary** Elisabeth Schüssler Fiorenza, Shelly Matthews, 1994 This utilizes biblical historical and literary critical scholarship for a feminist reading of the Scriptures Rather than focusing only on the women s passages it analyzed the writings in their entirety and brings to the fore the suppressed voices and subjugated knowledges of times past

A Guide to Truth for the Jehovah's Witness Ron Abud, 2025-10-09 Over the years from time to time Jehovah s Witnesses have stopped by the house Once two Witnesses came by during a busy Christmas season Being preoccupied I invited them to come back another time One of them did he came back twice Both times after I d invited him inside to chat something unrelated came up that required me with an apology to end his visit prematurely Following the second interruption I agreed to meet with him again after the holidays had passed His commitment was admirable it inspired me to do some research in expectation of his return He never did return but that research is the foundation of this book It is based on biblical texts supported at times by excerpts borrowed from historic Greek and Hebrew manuscripts The book demonstrates beyond a doubt that Jesus Christ is the Eternal Son of God In the New World Translation of the Holy Scriptures NWT the translations of these Greek and Hebrew excerpts are not correct They have been altered changed in ways which make it seem as if Jesus was created The author of the NWT the Watchtower

Bible and Tract Society Watchtower Society justifies the alteration of these translations by alleging the early second century church changed their meanings and as altered they convey what was originally intended The book proves not only that this Watchtower Society allegation is without merit but shows how impossible what it alleges would have been for the early church to undertake and accomplish The NWT has been revised several times over the years Many of these revisions include changes the Watchtower Society made to its own doctrine It has done so all the while proclaiming itself to be Jehovah God s true prophet The irreconcilable problem here for the Watchtower Society is that God s truth does not change A true prophet of Jehovah knows this and would never change what that prophet previously declared had come from God If you will kindly pray for spiritual discernment and then read the book

Leroy Forlines, 2001 This invaluable tool seriously discusses profound truths that apply to every facet of life Biblical truth should be made applicable to the total personality The inescapable questions of life are answered from the standard of God s authoritative Word

Fragments of truth, expositions of passages of Scripture John McLeod Campbell, 1898 **The Unity of the Corinthian**

Correspondence David R. Hall, 2003 The thesis of this book is that 1 and 2 Corinthians are closely related that Paul faces the same opponents in both letters that the letter written with many tears referred to in 2 Corinthians is 1 Corinthians and that there is no need to posit an intermediate visit or letter between the two canonical letters Throughout the two letters Paul implements a consistent pastoral strategy and an understanding of this strategy explains the difference in tone between various sections of the two letters There is no need for theories of partition
