Meaning Of Conversion In Buddhism:

The Meaning of Conversion in Buddhism Sangharakshita (Bhikshu),1994 What does converting to Buddhism in the west mean The Buddhist life is viewed as a process of perpetual revolution Religious Freedom and Mass Conversion in India Laura Dudley Jenkins,2019-05-31 Hinduism is the largest religion in India encompassing roughly 80 percent of the population while 14 percent of the population practices Islam and the remaining 6 percent adheres to other religions The right to freely profess practice and propagate religion in India s constitution is one of the most comprehensive articulations of the right to religious freedom Yet from the late colonial era to the present mass conversions to minority religions have inflamed majority minority relations in India and complicated the exercise of this right In Religious Freedom and Mass Conversion in India Laura Dudley Jenkins examines three mass conversion movements in India among Christians in the 1930s Dalit Buddhists in the 1950s and Mizo Jews in the 2000s Critics of these movements claimed mass converts were victims of overzealous proselytizers promising material benefits but defenders insisted the converts were individuals choosing to convert for spiritual reasons Jenkins traces the origins of these opposing arguments to the 1930s and 1940s when emerging human rights frameworks and early social scientific studies of religion posited an ideal convert an individual making a purely spiritual choice However she observes that India s mass conversions did not adhere to this model and therefore sparked scrutiny of mass converts individual agency and spiritual sincerity Jenkins demonstrates that the preoccupation with converts agency and sincerity has resulted in significant challenges to religious freedom One is the proliferation of legislation limiting induced conversions Another is the restriction of affirmative action rights of low caste people who choose to practice Islam or Christianity Last incendiary rumors are intentionally spread of women being converted to Islam via seduction Religious Freedom and Mass Conversion in India illuminates the ways in which these tactics immobilize potential converts reinforce damaging assumptions about women lower castes and religious minorities and continue to restrict religious freedom in India today *Basic Buddhist Meditation Practice* Piyasilo,Piya Tan,1984 **Trading Cultures** Heung Wah Wong,Keiji Maegawa,2015-06-01 This collection of original essays interrogates the nature of intercultural and intra cultural encounters through anthropological case studies of Asia Africa and the Pacific Islands The chapters show that parties involved in intercultural or intra cultural encounters each equipped with their own means and motivated by their own ends reciprocally engage each other in a dynamic emergent relationship Through detailed empirical research this volume seeks to advance the open question of how we may theorize the cultural interface **The Meaning of the Ambedkarite Conversion to Buddhism and Other Essays** K. N. Kadam,1997 **Buddhist Fundamentalism and Minority Identities in Sri Lanka** Tessa J. Bartholomeusz,Chandra R. de Silva,1998-07-10 Buddhist Fundamentalism and Minority Identities in Sri Lanka explores Sinhala Buddhist fundamentalist ideology and its power to shape the identities of Sri Lanka s ethnic and religious minorities Sinhala Buddhist fundamentalists in contemporary Sri Lanka share an ideology that asserts a vital link between

the island of Sri Lanka and the Sinhala people especially in their role as curators of Buddhism and often at the exclusion of the minorities. Minority responses to Sinhala Buddhist fundamentalism are manifold ranging from assimilation to the formation of rival fundamentalisms. The authors provide views of history markedly different from most scholarly reflections on Sri Lanka thus the history of shifting perceptions of Sinhala Buddhist fundamentalism offered here constitutes an important contribution to the subaltern history of Sri Lanka. By treating both the development of Sinhala Buddhist fundamentalism in the late nineteenth century and its hegemony in the late twentieth this study links the present to the past.

Between Two Cultures Mitra Das, 2007. Between Two Cultures The Case of Cambodian Women in America is a study of Cambodian Khmer refugee women who settled in Lowell Massachusetts a city known for its immigrant history. This study describes the journeys made and the challenges faced by these newcomers as they attempted resettlement in an environment very different from their home country. Simply and lucidly Mitra Das gives us captivating insights and an understanding of the experiences of this group of refugees from different shores. In so doing she brings to life the processes and conditions that are important for adaptation to American society. It can be a valuable source for understanding the dynamics of migration ethnicity and gender and can be used for those courses in sociology. People outside of academia working with refugee and immigrant groups will also find this book to be a valuable resource. **Gandhi's Social Philosophy: Perspective and Relevance** Birendranath Ganguli, Council for Social Development (India), 1973. *The Indian Social Reformer*, 1928.
