British-Ish Ian Britain, 2004-08-26 **Remembering the Myall Creek Massacre** Lyndall Ryan Jane

Lydon, 2018-06-01 The 1838 Myall Creek Massacre is remembered for the brutality of the crime committed by white settlers against innocent Aboriginal men women and children but also because eleven of the twelve assassins were arrested and brought to trial Amid tremendous controversy seven were hanged Myall Creek was not the last time the colonial administration sought to apply the law equally to Aboriginal people and settlers but it was the last time perpetrators of a massacre were convicted and hanged Marking its 180th anniversary this book explores the significance of one of the most horrifying events of Australian colonialism Thoughtful and fearless it challenges us to look at our history without flinching as an act of remembrance and reconciliation *Little White Slips* Karen Hitchcock, 2009-09-01 An outstanding collection of short fiction from a bold new voice in contemporary literature The 13 stories in Karen Hitchcock's debut collection *Little White Slips* showcase a formidable new talent One of the most exciting recruits to the Australian Picador list in years Karen's writing is deeply personal strikingly feminine heart breakingly beautiful at times fearless and confronting and frequently hilarious Whether tackling a troubled marriage using an action figure of Sigmund Freud celebrating the apparent triumph of weight loss or coping with the stresses of balancing a career with motherhood the joys and frustrations of our lives are laid bare Hitchcock's often painfully honest observations are balanced by a wry humour and sharp wit And with stories encompassing growing up love betrayal sex marriage self image and our relationships with family friends and food there are few women and the odd man who will not recognise themselves in these tales

Darby, 2015-12-22 This book brings postcolonial critique directly to bear on established ways of theorizing international

relations Its primary concern is with the non European world and its relations with the North In advancing an alternative conception of relations international the book draws on alternative source material and different forms of writing It also features short stories an interview and explores the role of poetics and performance The suzerainty of the disciplinary writ is challenged on three primary grounds Firstly on its Eurocentrism which leads the discipline to pass lightly over the distinctive life experiences of most of the world s people Secondly on the discipline s failure to engage in any systematic way with other bodies of knowledge about the international as for example international political economy postcolonialism and development Lastly it confronts the top down nature of the politics of the discipline and that seldom addresses everyday life From squatter towns to the evasions of the poor from law through to literature this work raises a number of problems for International relations It challenges a colonial mindset de centres the west and opens the field to new approaches that are far more interdisciplinary than international relations generally allows It is a provocative contribution for students and scholars of IR and Postcolonial studies alike

Indigenous Spirits and Global Aspirations in a Southeast Asian Borderland Michael Rose, 2025-10-01 Over the past 40 years life in Timor Leste has changed radically Before 1975 most of the population lived in highland villages spoke local languages and rarely used money Today many have moved to peri urban lowland settlements and even those whose lives remain dominated by customary ways understand that those of their children will not For the Atoni Pah Meto of Timor Leste s remote Oecussi Enclave the world was neatly divided into two distinct categories the meto indigenous and the kase foreign Now matters are less clear the good things of the globalised world are pursued not through rejecting the meto ways of the village or collapsing them into the kase but through continual crossing between them In this way the people of Oecussi are able to identify in the struggles of lowland life the comforting and often decisive presence of familiar highland spirits
