**The Measure of Canadian Society** John Porter, 1987-01-01 Vertical Mosaic In this book are gathered ten of his outstanding essays written over a period of twenty five years Porter's well known ex student Wallace Clement provides the introduction for this volume and Richard Helmes Hayes has compiled an updated bibliography of writings by and about John Porter

**Canadian Sociologists in the First Person** Stephen Harold Riggins, Neil McLaughlin, 2021-08-15 Social scientists autobiographies can yield insight into personal commitments to research agendas and the very project of social science itself But despite the long history of life writing sociologists have tended to view the practice with skepticism Canadian Sociologists in the First Person is the first book to survey the Canadian sociological imagination through personal recollections Exploring the lives and experiences of twenty contributors from across the country this book connects the unique and shared features of their careers to broad social dynamics while providing a guide to their own research and administrative contributions to their universities their profession and their broader society and communities The contributors teach in different types of institutions are prominent in the discipline and in their specializations and represent significant and diverse intellectual currents political perspectives and life and career experiences Aiming to start a broad conversation about what social science and the academic profession look like in Canada from an insider's perspective Canadian Sociologists in the First Person offers invaluable lessons for younger scholars as they envision a diverse sociological imagination for the twenty first century

**Measuring the Mosaic** Rick Helmes-Hayes, 2010-01-28 Measuring the Mosaic is a comprehensive intellectual biography of John Porter 1921-1979 author of The Vertical Mosaic 1965 preeminent Canadian sociologist of his time and one of Canada's most celebrated scholars In the first biography of this important figure Rick Helmes Hayes provides a detailed account of Porter's life and an in depth assessment of his extensive writings on class power educational opportunity social mobility and democracy While assessing Porter's place in the historical development of Canadian social science Helmes Hayes also examines the economic social political and scholarly circumstances including the Depression World War II post war reconstruction the baby boom and the growth of universities that contoured Porter's political and academic views Using extensive archival research correspondence and over fifty original interviews with family colleagues and friends Measuring the Mosaic stresses Porter's remarkable contributions as a scholar academic statesman senior administrator at Carleton University and engaged practical public intellectual

**Opportunity and Uncertainty** Paul Anisef, Paul Axelrod, Etta Baichman-Anisef, 2000-01-01 Based on the longest running survey of its kind in Canada this book examines events in the lives of a generation of Ontario residents who graduated from grade 12 in 1973 and recreates the world in which these high school students faced the future

*For Canada's Sake* Gary Miedema, 2005-12-19 Breaking away from the traditional analysis of church policy sermons and clerical scholarship For Canada's Sake presents an exemplary analysis of the meaning behind religiously informed public celebrations and rituals such as centennial hymns and

prayers and Expo pavillions Miedema argues that the 1967 celebrations reveal the continued importance of religion to Canadian public life showing that a waning Christian Canada was being replaced by an officially interfaith country The author throws into bold relief the varied attempts of government officials and religious leaders to come to terms with new Canadian and global realities as well as the response of Canadians to their own increasing religious diversity Essentials of Canadian Society John Goyder,1990 This book is a concise guide to the significant social features of Canada as the country enters the 1990s the author uses John Porter s seminal work *The Vertical Mosaic* 1965 as a starting point for understanding current sociological theories and a base line for discovering how much our society has changed and how much it has remained the same over the past three decades By focusing on such topics as education immigration and internal migration minorities regions and nation hood Canada s power elites the book introduces the reader to the richness of past writings on Canadian society with exceptionally up to date data **LLT** ,1981 *Centralizing and Decentralizing Trends in Federal States* C. Lloyd Brown-John,1988 *Regional Governance and Economic Development* ,1997 This collection of papers addresses the issues of regional constitutional change regional autonomy regional planning and policy With the use of experience from Europe and North America the forms of federalism and networking which are appropriate to regional economic and constitutional autonomy the evolving ideas associated with regional **Public Policy and Futures Bibliography** ,1980 Migration ,1994 Library of Congress Catalogs Library of Congress,1980 **Subject Catalog** Library of Congress,1980 **Subject Catalog, 1980** Library of Congress,1980 *Library of Congress Catalog* Library of Congress,1980-07 *Canadian Books in Print* ,1999 *Minorities and the Canadian State* Neil Nevitte,Allan Kornberg,1985 **A Writer's Handbook of Current English** Michael David Moore,Jim W. Corder,John J. Ruszkiewicz,1987-05 **Canadiana** ,1988 *The Sense of Sociability* Lorne Tepperman,2010 Are human beings a species in constant need of firm aggressive government to save us from ourselves Or are we fundamentally sociable beings woven together in a complex array of networks interdependent and willing to work together *The Sense of Sociability* is a modern highly readable and often idiosyncratic look at human sociability by one of Canada s top sociologists Lorne Tepperman explores why we have difficulty getting along and why in spite of these difficulties we still manage for the most part to live together Without interference from poor government and other malign influences he argues people can work out a great deal of their lives themselves Tepperman one of Canada s foremost sociologists sees it as his job to look at our unwashed history to reveal how ordinary people doing ordinary things is the process that makes human history
