## **Meat Loafbat Out Of Hell:**

Meat Loaf - Bat Out Of Hell Geoffrey Feakes, 2025-05-23 Bat Out Of Hell was released in 1977 during the height of disco fever and punk rock. The product of two larger than life figures in composer Jim Steinman and vocalist Meatloaf, it remains an ambitious debut album that bucked the trend and confounded critics. With the help of several hit singles, it struck a chord with record buyers and became one of the best-selling albums of all time. Benefitting from a combination of catchy melodies, anthemic rock, dazzling musicianship, inventive choral work, and audacious narratives, the songs like "You Took The Words Right Out Of My Mouth" and the epic title track have a universal appeal that has stood the test of time. The memorable hooks and high production values also signposted the power ballads and arena rock style of the 1980s. This book examines the individual songs that make up Bat Out Of Hell, along with the album's conception, recording, reception, subsequent tour, and legacy. It also traces the backstory of its creators and their work together and apart that followed in the album's wake. This includes two successors released in 1993 and 2006 respectively and Bat Out Of Hell: The Musical, which premiered in 2017. Geoffrey Feakes is an author, music journalist, and retired design engineer based in Wakefield, West Yorkshire, in the north of England. He has five previous books to his credit: The Moody Blues On Track (published in 2019), The Who On Track (in 2020), Steve Hackett on track (in 2021), 1973: The Golden Age of Progressive Rock (in 2022), and Rick Wakeman in the 1970s (in 2023). He has been a writer for the online Dutch Progressive Rock Page since 2005, with hundreds of reviews and interviews to his credit.

I never wanted to be a big star, I just wanted to be the biggest at what I do. Powerful, unstoppable, heavy when that word still meant something good. Meat Loaf as told to Mick Wall. Everything in the story of Meat Loaf is big. From the place he was born, Texas, to the family he was born into, his father weighed 22 stone, his uncle weighed over 40 stone, while Meat Loaf himself weighed 17 stone before he was even in his teens. To the sound he made, a colossal collision between Richard Wagner, Phil Spector, and Bruce Springsteen, and of course the records he sold, nearly 50 million in Britain and America alone. From a tumultuous childhood with an alcoholic father to the

relentless abusive bullying he endured nobody could have predicted Meat Loaf's meteoric rise to fame But when the messianic rock opera *Bat Out of Hell* was released in 1977 it became one of the biggest albums of all time selling over 45 million copies worldwide to date Its release marked the start of a rollercoaster ride of incredible highs and seemingly career ending lows By the 80s Meat Loaf was battling with drug and alcohol addiction and escalating money problems But just when it seemed like it was all over the astonishing success of *Bat Out of Hell II* and the mega hit *I'd Do Anything For Love But I Won't Do That* marked an extraordinary new wave of success Now Mick Wall will bring this extraordinary story up to date drawing on the hours he spent with Meat Loaf both in interviews and on tour as well as offering up a unique insight from those who have known him best
